2358 Rayburn House Office Building
Washington, D.C. 20515

Dear Mr. Chairman:

I wanted to take this opportunity to reiterate my support for \$250 million in funding for the renovation of buildings and facilities at the Centers for Disease Control and Prevention (CDC).

I know you will work hard to ensure that the CDC has the funds its needs to start this process. You and I have discussed the importance of this project on a number of occasions, I am very grateful for the support you have provided it in the past and hope that you can continue to do so this year.

Sincerely,

John Blank
Member of Congress
