

Vita/Resume for Edward G. Hallock

State Office:

Delaware Health and Social Services, Division of Public Health
Office of Drinking Water

[REDACTED]

Association Office:

Association of State Drinking Water Administrators

[REDACTED]

Education

Bachelor's degree in Biology, University of Delaware in 1981

Professional Experience

1999-Present: Program Administrator, Delaware Division of Public Health, Office of Drinking Water

I currently oversee the drinking water program for the State of Delaware. We regulate approximately 500 public water systems. Programs include a drinking water state revolving fund program, public water system supervision program and an operator certification program for operators of public drinking water systems. Help to draft current regulations governing water operator certification.

1991-1999 Program Manager, Delaware Division of Public Health, Office of Drinking Water

Managed the drinking water program for the State of Delaware. The program primarily consisted of enforcing the Safe Drinking Water Act by monitoring and inspecting public drinking water systems.

Other Work-Related Experiences

Member of National Drinking Water Advisory Committee workgroup that developed the Consumer Confidence Report Rule

Member of the State/EPA workgroup that revised the Public Notification Rule

Member of the Drinking Water Advisory Committee workgroup that revised the public education requirements of the Lead/Copper Rule
