Fiscal Year 2020 Bill At-a-Glance

House Appropriations

The bill provides **\$73.9 billion** to create jobs, promote civil rights, reduce gun violence, build safer communities, & fund the 2020 Census

Census Bureau: \$8.45 billion

- Enabling the Bureau to conduct a thorough & accurate 2020 Decennial Census that counts all persons, as required by the Constitution
 - This funding enables the Bureau to conduct its largest and most technologically advanced decennial census in its 230-year history

National Science Foundation: \$8.64 billion

- Fostering innovation & U.S. economic competitiveness, including funding for research on advanced manufacturing, physics, mathematics, cybersecurity, neuroscience, & STEM education

Department of Justice: \$32 billion

- Investments to give federal law enforcement more tools to thwart violent crime, fight drug & human traffickers, bring criminals to justice, counter cyberthreats & protect civil rights

Economic Development Administration: \$540 million

- An increase of \$236 million above the fiscal year 2019 level to help improve our nation's infrastructure, boost economically recovering communities, & launch innovative community development efforts

Fighting the Opioid Epidemic: \$501 million

- For grant programs to help stem this abuse, including for drug courts, treatment, prescription drug monitoring, overdose-reversal drugs, and at-risk youth programs
 - The bill also increases Federal law enforcement resources to investigate & prosecute drug traffickers

Preventing Gun Violence

- The bill increases resources for programs that reduce violent and gun crime, including:
 - Full funding for the FBI's National Instant Criminal Background Check System
 - More funds for U.S. Attorneys, ATF, & the Marshals Service to address violent crime
 - \$125 million to make schools safer
 - \$100 million for at-risk youth mentoring programs
 - \$80 million in grants to States to improve their records used in background checks
