The bill provides $24.6 billion to assist taxpayers, support small businesses, empower the District of Columbia, & protect & strengthen our elections.

Department of the Treasury — $13.56 billion

- **Internal Revenue Service** — $12 billion, an increase of $697 million above the 2019 enacted level & $166 million above the President’s budget request
  - **Taxpayer Services** — $2.6 billion, an increase of $67 million, including at least 8% growth for all three grant programs:
    - Tax Counseling for the Elderly
    - Low-Income Taxpayer Clinics
    - Community Volunteer Income Tax Assistance
  - **Community Development Financial Institutions** — $300 million, $50 million above the 2019 enacted level, and a rejection of President Trump’s proposed elimination of the program
    - The total amount includes first-time funding of $10 million for an initiative to increase the availability and affordability of small-dollar loans.

Election Assistance Commission

- **Election Security Grants** — $600 million to augment state and local efforts to improve the security & integrity of elections for Federal office.

Small Business Administration — $995 million

- **Entrepreneurial Development Programs** — $281 million, an increase of $34 million
  - Small Business Development Centers — $150 million
  - Microloan Technical Assistance — $35 million
  - State Trade Expansion Program — $20 million
  - Women’s Business Centers — $30 million

Securities and Exchange Commission — $1.85 billion

- Language is included to direct the additional funds specifically to augment SEC’s enforcement, compliance, market oversight, & investor education and advocacy activities.

Consumer Product Safety Commission — $135.5 million

- $8.5 million above the 2019 enacted level and the President’s budget request.

District of Columbia — $741 million

- Removes previously included policy riders that intruded on home rule in the District of Columbia, including bans on use of local funds for abortion services, needle exchange programs, & legalization of marijuana.
