1ST SESSION

H. R. _______

[Report No. 116--____]

Making appropriations for energy and water development and related agencies
for the fiscal year ending September 30, 2020, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

____ --, 2019

Ms. Kaptur, from the Committee on Appropriations, reported the following
bill; which was committed to the Committee of the Whole House on the
State of the Union and ordered to be printed

A BILL

Making appropriations for energy and water development
and related agencies for the fiscal year ending September
30, 2020, and for other purposes.
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for energy and water development and related agencies for the fiscal year ending September 30, 2020, and for other purposes, namely:

TITLE I

CORPS OF ENGINEERS—CIVIL

DEPARTMENT OF THE ARMY

Corps of Engineers—Civil

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related needs; for surveys and detailed studies, and plans and specifications of proposed river and harbor, flood and storm damage reduction, shore protection, and aquatic
ecosystem restoration projects, and related efforts prior to
construction; for restudy of authorized projects; and for
miscellaneous investigations, and, when authorized by law,
surveys and detailed studies, and plans and specifications
of projects prior to construction, $135,000,000, to remain
available until expended: Provided, That the Secretary
shall initiate six new study starts during fiscal year 2020:
Provided further, That the Secretary shall not deviate from
the new starts proposed in the work plan, once the plan
has been submitted to the Committees on Appropriations
of both Houses of Congress.

CONSTRUCTION

For expenses necessary for the construction of river
and harbor, flood and storm damage reduction, shore pro-
tection, aquatic ecosystem restoration, and related
projects authorized by law; for conducting detailed studies,
and plans and specifications, of such projects (including
those involving participation by States, local governments,
or private groups) authorized or made eligible for selection
by law (but such detailed studies, and plans and specifica-
tions, shall not constitute a commitment of the Govern-
ment to construction); $2,337,000,000, to remain avail-
able until expended; of which such sums as are necessary
to cover the Federal share of construction costs for facili-
ties under the Dredged Material Disposal Facilities pro-
gram shall be derived from the Harbor Maintenance Trust Fund as authorized by Public Law 104–303; and of which such sums as are necessary to cover one-half of the costs of construction, replacement, rehabilitation, and expansion of inland waterways projects shall be derived from the Inland Waterways Trust Fund, except as otherwise specifically provided for in law: Provided, That the Secretary shall initiate six new construction starts during fiscal year 2020: Provided further, That for new construction projects, project cost sharing agreements shall be executed as soon as practicable but no later than September 30, 2020: Provided further, That no allocation for a new start shall be considered final and no work allowance shall be made until the Secretary provides to the Committees on Appropriations of both Houses of Congress an out-year funding scenario demonstrating the affordability of the selected new starts and the impacts on other projects: Provided further, That the Secretary may not deviate from the new starts proposed in the work plan, once the plan has been submitted to the Committees on Appropriations of both Houses of Congress.

MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for flood damage reduction projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized
by law, $350,000,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for inland harbors shall be derived from the Harbor Maintenance Trust Fund.

OPERATION AND MAINTENANCE

For expenses necessary for the operation, maintenance, and care of existing river and harbor, flood and storm damage reduction, aquatic ecosystem restoration, and related projects authorized by law; providing security for infrastructure owned or operated by the Corps, including administrative buildings and laboratories; maintaining harbor channels provided by a State, municipality, or other public agency that serve essential navigation needs of general commerce, where authorized by law; surveying and charting northern and northwestern lakes and connecting waters; clearing and straightening channels; and removing obstructions to navigation, $3,923,000,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for coastal harbors and channels, and for inland harbors shall be derived from the Harbor Maintenance Trust Fund; of which such sums as become available from the special account for the Corps of Engineers established by the Land and Water Conserva-
tion Fund Act of 1965 shall be derived from that account for resource protection, research, interpretation, and maintenance activities related to resource protection in the areas at which outdoor recreation is available; and of which such sums as become available from fees collected under section 217 of Public Law 104–303 shall be used to cover the cost of operation and maintenance of the dredged material disposal facilities for which such fees have been collected: Provided, That 1 percent of the total amount of funds provided for each of the programs, projects, or activities funded under this heading shall not be allocated to a field operating activity prior to the beginning of the fourth quarter of the fiscal year and shall be available for use by the Chief of Engineers to fund such emergency activities as the Chief of Engineers determines to be necessary and appropriate, and that the Chief of Engineers shall allocate during the fourth quarter any remaining funds which have not been used for emergency activities proportionally in accordance with the amounts provided for the programs, projects, or activities.

REGULATORY PROGRAM

For expenses necessary for administration of laws pertaining to regulation of navigable waters and wetlands, $210,000,000, to remain available until September 30, 2021.
FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

For expenses necessary to clean up contamination from sites in the United States resulting from work performed as part of the Nation’s early atomic energy program, $155,000,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary to prepare for flood, hurricane, and other natural disasters and support emergency operations, repairs, and other activities in response to such disasters as authorized by law, $37,500,000, to remain available until expended.

EXPENSES

For expenses necessary for the supervision and general administration of the civil works program in the headquarters of the Corps of Engineers and the offices of the Division Engineers; and for costs of management and operation of the Humphreys Engineer Center Support Activity, the Institute for Water Resources, the United States Army Engineer Research and Development Center, and the United States Army Corps of Engineers Finance Center allocable to the civil works program, $203,000,000, to remain available until September 30, 2021, of which not to exceed $5,000 may be used for official reception and representation purposes and only during the current fiscal year: Provided, That no part of any other appropriation
provided in this title shall be available to fund the civil works activities of the Office of the Chief of Engineers or the civil works executive direction and management activities of the division offices: Provided further, That any Flood Control and Coastal Emergencies appropriation may be used to fund the supervision and general administration of emergency operations, repairs, and other activities in response to any flood, hurricane, or other natural disaster.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY FOR CIVIL WORKS

For the Office of the Assistant Secretary of the Army for Civil Works as authorized by 10 U.S.C. 3016(b)(3), $5,000,000, to remain available until September 30, 2021: Provided, That not more than 25 percent of such amount may be obligated or expended until the Assistant Secretary submits to the Committees on Appropriations of both Houses of Congress a work plan that allocates at least 95 percent of the additional funding provided under each heading in this title, as designated under such heading in the report of the Committee on Appropriations accompanying this Act, to specific programs, projects, or activities.
GENERAL PROVISIONS—CORPS OF
ENGINEERS—CIVIL
(INCLUDING TRANSFER OF FUNDS)

SEC. 101. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by this Act;

(4) reduces funds that are directed to be used for a specific program, project, or activity by this Act;

(5) increases funds for any program, project, or activity by more than $2,000,000 or 10 percent, whichever is less; or

(6) reduces funds for any program, project, or activity by more than $2,000,000 or 10 percent, whichever is less.

(b) Subsection (a)(1) shall not apply to any project or activity authorized under section 205 of the Flood Control Act of 1948, section 14 of the Flood Control Act of 1946, section 208 of the Flood Control Act of 1954, sec-

(c) The Corps of Engineers shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

SEC. 102. None of the funds made available in this title may be used to award or modify any contract that commits funds beyond the amounts appropriated for that program, project, or activity that remain unobligated, except that such amounts may include any funds that have been made available through reprogramming pursuant to section 101.

SEC. 103. The Secretary of the Army may transfer to the Fish and Wildlife Service, and the Fish and Wildlife Service may accept and expend, up to $5,400,000 of funds provided in this title under the heading “Operation and
Maintenance” to mitigate for fisheries lost due to Corps of Engineers projects.

SEC. 104. None of the funds in this Act shall be used for an open lake placement alternative for dredged material, after evaluating the least costly, environmentally acceptable manner for the disposal or management of dredged material originating from Lake Erie or tributaries thereto, unless it is approved under a State water quality certification pursuant to section 401 of the Federal Water Pollution Control Act (33 U.S.C. 1341): Provided, That until an open lake placement alternative for dredged material is approved under a State water quality certification, the Corps of Engineers shall continue upland placement of such dredged material consistent with the requirements of section 101 of the Water Resources Development Act of 1986 (33 U.S.C. 2211).

SEC. 105. None of the funds made available by this Act may be used to carry out any water supply reallocation study under the Wolf Creek Dam, Lake Cumberland, Kentucky, project authorized under the Act of July 24, 1946 (60 Stat. 636, ch. 595).

SEC. 106. None of the funds made available by this Act or any other Act may be used to reorganize or to transfer the Civil Works functions or authority of the
Corps of Engineers or the Secretary of the Army to another department or agency.

SEC. 107. Additional funding provided in this Act shall be allocated only to projects determined to be eligible by the Chief of Engineers.

SEC. 108. Notwithstanding any other provision of law, none of the funds appropriated or otherwise made available by this Act or any prior appropriations Acts for the Civil Works Program of the United States Army Corps of Engineers may be committed, obligated, expended, or otherwise used to design or construct a wall, fence, border barriers, or border security infrastructure along the southern border of the United States.

TITLE II

DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, $15,000,000, to remain available until expended, of which $1,800,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission: Provided, That of the amount provided under this heading, $1,500,000 shall be available until September 30, 2021, for expenses nec-
necessary in carrying out related responsibilities of the Secretary of the Interior: Provided further, That for fiscal year 2020, of the amount made available to the Commission under this Act or any other Act, the Commission may use an amount not to exceed $1,500,000 for administrative expenses.

BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:

WATER AND RELATED RESOURCES

(INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activities, including the operation, maintenance, and rehabilitation of reclamation and other facilities, participation in fulfilling related Federal responsibilities to Native Americans, and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian tribes, and others, $1,485,000,000, to remain available until expended, of which $70,332,000 shall be available for transfer to the Upper Colorado River Basin Fund and $5,023,000 shall be available for transfer to the Lower Colorado River Basin Development Fund; of which such amounts as may be necessary may be ad-
advanced to the Colorado River Dam Fund: Provided, That such transfers may be increased or decreased within the overall appropriation under this heading: Provided further, That of the total appropriated, the amount for program activities that can be financed by the Reclamation Fund or the Bureau of Reclamation special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: Provided further, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which the funds were contributed: Provided further, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: Provided further, That of the amounts provided herein, funds may be used for high-priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706: Provided further, That in accordance with section 4009(c) of Public Law 114–322 and as recommended by the Secretary in a letter dated February 13, 2019, funding provided for such purpose in fiscal year 2018 shall be made available to the Expanding Recycled Water Delivery Project (VenturaWaterPure), the Pure Water Monterey-Groundwater Replenishment Project, the Groundwater Reliability Improvement Program (GRIP) Recycled Water Project,
the North Valley Regional Recycled Water Program, the South Sacramento County Agriculture and Habitat Lands Recycled Water Program, and the Central Coast Blue Project: Provided further, That in accordance with section 4007 of Public Law 114–322 and as recommended by the Secretary in a letter dated February 13, 2019, funding provided for such purpose in fiscal years 2017 and 2018 shall be made available to the Cle Elum Pool Raise, the Boise River Basin Feasibility Study, the Del Puerto Water District, the Los Vaqueros Reservoir Phase 2 Expansion Project, the North-of-the-Delta Off stream storage (Sites Reservoir Project), and the Friant-Kern Canal Capacity Correction Resulting Subsidence: Provided further, That in accordance with section 4009(a) of Public Law 114–322 and as recommended by the Secretary in a letter dated February 13, 2019, funding provided for such purpose in fiscal years 2017 and 2018 shall be made available to the Doheny Ocean Desalination Project, the Kay Bailey Hutchison Desalination Plant, the North Pleasant Valley Desalter Facility and the Mission Basin Groundwater Purification Facility Well Expansion and Brine Minimization.

CENTRAL VALLEY PROJECT RESTORATION FUND
For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of
the Central Valley Project Improvement Act, $54,849,000, to be derived from such sums as may be collected in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(c)(3), and 3405(f) of Public Law 102–575, to remain available until expended: Provided, That the Bureau of Reclamation is directed to assess and collect the full amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102–575: Provided further, That none of the funds made available under this heading may be used for the acquisition or leasing of water for in-stream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION

(INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, $33,000,000, to remain available until expended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: Provided, That funds appropriated herein may be used for the Federal share of the costs of CALFED Program management: Provided fur-
ther, That CALFED implementation shall be carried out in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.

POLICY AND ADMINISTRATION

For expenses necessary for policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the five regions of the Bureau of Reclamation, to remain available until September 30, 2021, $60,000,000, to be derived from the Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377: Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.

ADMINISTRATIVE PROVISION

Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed five passenger motor vehicles, which are for replacement only.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

Sec. 201. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates or initiates a new program, project, or activity;
(2) eliminates a program, project, or activity;
(3) increases funds for any program, project, or activity for which funds have been denied or restricted by this Act;
(4) restarts or resumes any program, project, or activity for which funds are not provided in this Act, unless prior approval is received from the Committees on Appropriations of both Houses of Congress;
(5) transfers funds in excess of the following limits—
(A) 15 percent for any program, project, or activity for which $2,000,000 or more is available at the beginning of the fiscal year; or
(B) $400,000 for any program, project, or activity for which less than $2,000,000 is available at the beginning of the fiscal year;
(6) transfers more than $500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category; or
(7) transfers, where necessary to discharge legal obligations of the Bureau of Reclamation, more than $5,000,000 to provide adequate funds for settled
contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments.

(b) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

c) For purposes of this section, the term “transfer” means any movement of funds into or out of a program, project, or activity.

d) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

Sec. 202. (a) None of the funds appropriated or otherwise made available by this Act may be used to determine the final point of discharge for the interceptor drain for the San Luis Unit until development by the Secretary of the Interior and the State of California of a plan, which shall conform to the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters.
(b) The costs of the Kesterson Reservoir Cleanup Program and the costs of the San Joaquin Valley Drainage Program shall be classified by the Secretary of the Interior as reimbursable or nonreimbursable and collected until fully repaid pursuant to the “Cleanup Program—Alternative Repayment Plan” and the “SJVDP—Alternative Repayment Plan” described in the report entitled “Repayment Report, Kesterson Reservoir Cleanup Program and San Joaquin Valley Drainage Program, February 1995”, prepared by the Department of the Interior, Bureau of Reclamation. Any future obligations of funds by the United States relating to, or providing for, drainage service or drainage studies for the San Luis Unit shall be fully reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

Sec. 203. Section 9504(e) of the Secure Water Act of 2009 (42 U.S.C. 10364(e)) is amended by striking “$480,000,000” and inserting “$510,000,000”.

Sec. 204. Title I of Public Law 108–361 (the CALFED Bay-Delta Authorization Act) (118 Stat. 1681) is amended by striking “2019” each place it appears and inserting “2020”.
SEC. 205. Section 9106(g)(2) of Public Law 111–11 (Omnibus Public Land Management Act of 2009) is amended by striking “2019” and inserting “2020”.

TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE PROGRAM

Such sums as are derived from amounts received from borrowers pursuant to section 1702(b) of the Energy Policy Act of 2005 under this heading in prior Acts, shall be collected in accordance with section 502(7) of the Congressional Budget Act of 1974: Provided, That for necessary administrative expenses of the Title 17 Innovative Technology Loan Guarantee Program, as authorized, $33,000,000 is appropriated, to remain available until September 30, 2021: Provided further, That up to $33,000,000 of fees collected in fiscal year 2020 pursuant to section 1702(h) of the Energy Policy Act of 2005 shall be credited as offsetting collections under this heading and used for necessary administrative expenses in this appropriation and shall remain available until September 30,
2021: *Provided further*, That to the extent that fees collected in fiscal year 2020 exceed $33,000,000, those excess amounts shall be credited as offsetting collections under this heading and available in future fiscal years only to the extent provided in advance in appropriations Acts: 

*Provided further*, That the sum herein appropriated from the general fund shall be reduced (1) as such fees are received during fiscal year 2020 (estimated at $3,000,000) and (2) to the extent that any remaining general fund appropriations can be derived from fees collected in previous fiscal years that are not otherwise appropriated, so as to result in a final fiscal year 2020 appropriation from the general fund estimated at $0: *Provided further*, That the Department of Energy shall not subordinate any loan obligation to other financing in violation of section 1702 of the Energy Policy Act of 2005 or subordinate any Guaranteed Obligation to any loan or other debt obligations in violation of section 609.10 of title 10, Code of Federal Regulations.

**ADVANCED TECHNOLOGY VEHICLES MANUFACTURING LOAN PROGRAM**

For Department of Energy administrative expenses necessary in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $5,000,000, to remain available until September 30, 2021.
TRIBAL ENERGY LOAN GUARANTEE PROGRAM

For Department of Energy administrative expenses necessary in carrying out the Tribal Energy Loan Guarantee Program, $1,000,000, to remain available until September 30, 2021.

OFFICE OF INDIAN ENERGY POLICY AND PROGRAMS

For necessary expenses for Indian Energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), $25,000,000, to remain available until expended: Provided, That, of the amount appropriated under this heading, $4,800,000 shall be available until September 30, 2021, for program direction.

DEPARTMENTAL ADMINISTRATION

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), $264,378,000, to remain available until September 30, 2021, including the hire of passenger motor vehicles and official reception and representation expenses not to exceed $30,000, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): Provided, That such increases in
cost of work are offset by revenue increases of the same
or greater amount: Provided further, That moneys received
by the Department for miscellaneous revenues estimated
to total $93,378,000 in fiscal year 2020 may be retained
and used for operating expenses within this account, as
authorized by section 201 of Public Law 95–238, notwith-
standing the provisions of 31 U.S.C. 3302: Provided fur-
ther, That the sum herein appropriated shall be reduced
as collections are received during the fiscal year so as to
result in a final fiscal year 2020 appropriation from the
general fund estimated at not more than $171,000,000.

Office of the Inspector General

For expenses necessary for the Office of the Inspector
General in carrying out the provisions of the Inspector
General Act of 1978, $54,215,000, to remain available
until September 30, 2021.

Atomic Energy Defense Activities

National Nuclear Security

Administration

Weapons Activities

For Department of Energy expenses, including the
purchase, construction, and acquisition of plant and cap-
ital equipment and other incidental expenses necessary for
atomic energy defense weapons activities in carrying out
the purposes of the Department of Energy Organization
Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one ambulance for replacement only, $11,760,800,000, to remain available until expended: Provided, That of such amount, $107,660,000 shall be available until September 30, 2021, for program direction.

DEFENSE NUCLEAR NONPROLIFERATION

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed two aircraft, $2,074,930,000, to remain available until expended.

NAVAL REACTORS

(INCLUDING TRANSFER OF FUNDS)

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction,
tion, or otherwise) of real property, plant, and capital

equipment, facilities, and facility expansion,

$1,628,551,000, to remain available until expended, of

which, $88,500,000 shall be transferred to “Department

of Energy—Energy Programs—Nuclear Energy”, for the

Advanced Test Reactor: Provided, That of such amount,

$50,500,000 shall be available until September 30, 2021,

for program direction.

Federal Salaries and Expenses

For expenses necessary for Federal Salaries and Ex-
penses in the National Nuclear Security Administration,

$430,000,000, to remain available until September 30,

2021, including official reception and representation ex-
penses not to exceed $17,000.

Environmental and Other Defense

Activities

Defense Environmental Cleanup

For Department of Energy expenses, including the

purchase, construction, and acquisition of plant and cap-

tal equipment and other expenses necessary for atomic

energy defense environmental cleanup activities in car-
ying out the purposes of the Department of Energy Orga-
nization Act (42 U.S.C. 7101 et seq.), including the acqui-
sition or condemnation of any real property or any facility

or for plant or facility acquisition, construction, or expan-

sion, $5,993,650,000, to remain available until expended: 

Provided, That of such amount, $298,500,000 shall be available until September 30, 2021, for program direction.

OTHER DEFENSE ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses, necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $901,261,000, to remain available until expended: Provided, That of such amount, $324,798,000 shall be available until September 30, 2021, for program direction.

POWER MARKETING ADMINISTRATIONS

BONNEVILLE POWER ADMINISTRATION FUND

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93–454, are approved for the Steigerwald Floodplain Restoration Project and, in addition, for official reception and representation expenses in an amount not to exceed $5,000:

Provided, That during fiscal year 2020, no new direct loan obligations may be made: Provided further, Expenditures
from the Bonneville Power Administration Fund, established pursuant to Public Law 93–454 are authorized and approved, without fiscal year limitation, for the cost of current and future year purchases or payments of emissions expenses associated with Bonneville Power Administration power and transmission operations in states with clean energy programs: Provided further, This expenditure authorization is limited solely to Bonneville Power Administration’s voluntary purchase or payments made in conjunction with state clean energy programs and is not a broader waiver of Bonneville Power Administration’s sovereign immunity.

Operation and Maintenance, Southeastern Power Administration

For expenses necessary for operation and maintenance of power transmission facilities and for marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, $6,597,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended: Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944, up to $6,597,000 collected by the Southeastern Power Administration from the
sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administration: *Provided further*, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2020 appropriation estimated at not more than $0: *Provided further*, That notwithstanding 31 U.S.C. 3302, up to $56,000,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: *Provided further*, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

**Operation and Maintenance, Southwestern Power Administration**

For expenses necessary for operation and maintenance of power transmission facilities and for marketing electric power and energy, for construction and acquisition of transmission lines, substations and appurtenant facili-
ties, and for administrative expenses, including official reception and representation expenses in an amount not to exceed $1,500 in carrying out section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the Southwestern Power Administration, $47,775,000, to remain available until expended: Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), up to $37,375,000 collected by the Southwestern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Southwestern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2020 appropriation estimated at not more than $10,400,000: Provided further, That notwithstanding 31 U.S.C. 3302, up to $15,000,000 collected by the Southwestern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That for purposes of this
appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

(INCLUDING RESCISSION OF FUNDS)

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, $262,959,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended, of which $262,959,000 shall be derived from the Department of the Interior Reclamation Fund: Provided, That notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 1 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to $173,587,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: Provided further, That the
sum herein appropriated for annual expenses shall be re-
duced as collections are received during the fiscal year so
as to result in a final fiscal year 2020 appropriation esti-
ated at not more than $89,372,000, of which
$89,372,000 is derived from the Reclamation Fund: Pro-
vided further, That notwithstanding 31 U.S.C. 3302, up
to $168,000,000 collected by the Western Area Power Ad-
ministration pursuant to the Flood Control Act of 1944
and the Reclamation Project Act of 1939 to recover pur-
chase power and wheeling expenses shall be credited to
this account as offsetting collections, to remain available
until expended for the sole purpose of making purchase
power and wheeling expenditures: Provided further, That
for purposes of this appropriation, annual expenses means
expenditures that are generally recovered in the same year
that they are incurred (excluding purchase power and
wheeling expenses): Provided further, That of the unobli-
gated balances from prior year appropriations available
under this heading, $176,000 is hereby permanently can-
celled.

FALCON AND AMISTAD OPERATING AND MAINTENANCE
FUND

For operation, maintenance, and emergency costs for
the hydroelectric facilities at the Falcon and Amistad
Dams, $3,160,000, to remain available until expended,
and to be derived from the Falcon and Amistad Operating 
and Maintenance Fund of the Western Area Power Ad-
ministration, as provided in section 2 of the Act of June 
18, 1954 (68 Stat. 255): Provided, That notwithstanding 
the provisions of that Act and of 31 U.S.C. 3302, up to 
$2,932,000 collected by the Western Area Power Adminis-
tration from the sale of power and related services from 
the Falcon and Amistad Dams shall be credited to this 
account as discretionary offsetting collections, to remain 
available until expended for the sole purpose of funding 
the annual expenses of the hydroelectric facilities of these 
Dams and associated Western Area Power Administration 
activities: Provided further, That the sum herein appro-
priated for annual expenses shall be reduced as collections 
are received during the fiscal year so as to result in a final 
fiscal year 2020 appropriation estimated at not more than 
$228,000: Provided further, That for purposes of this ap-
propriation, annual expenses means expenditures that are 
generally recovered in the same year that they are in-
curred: Provided further, That for fiscal year 2020, the 
Administrator of the Western Area Power Administration 
may accept up to $1,187,000 in funds contributed by 
United States power customers of the Falcon and Amistad 
Dams for deposit into the Falcon and Amistad Operating 
and Maintenance Fund, and such funds shall be available
for the purpose for which contributed in like manner as if said sums had been specifically appropriated for such purpose: Provided further, That any such funds shall be available without further appropriation and without fiscal year limitation for use by the Commissioner of the United States Section of the International Boundary and Water Commission for the sole purpose of operating, maintaining, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at these Dams in accordance with agreements reached between the Administrator, Commissioner, and the power customers.

**Federal Energy Regulatory Commission**

**Salaries and Expenses**

For expenses necessary for the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, official reception and representation expenses not to exceed $3,000, and the hire of passenger motor vehicles, $382,000,000, to remain available until expended: Provided, That notwithstanding any other provision of law, not to exceed $382,000,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2020 shall be retained and used for expenses necessary in this account, and shall remain available until ex-
pended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2020 so as to result in a final fiscal year 2020 appropriation from the general fund estimated at not more than $0.

GENERAL PROVISIONS—DEPARTMENT OF ENERGY

(INCLUDING TRANSFERS OF FUNDS)

SEC. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b)(1) Unless the Secretary of Energy notifies the Committees on Appropriations of both Houses of Congress at least 3 full business days in advance, none of the funds made available in this title may be used to—

(A) make a grant allocation or discretionary grant award totaling $1,000,000 or more;

(B) make a discretionary contract award or Other Transaction Agreement totaling $1,000,000
or more, including a contract covered by the Federal Acquisition Regulation;

(C) issue a letter of intent to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B); or

(D) announce publicly the intention to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B).

(2) The Secretary of Energy shall submit to the Committees on Appropriations of both Houses of Congress within 15 days of the conclusion of each quarter a report detailing each grant allocation or discretionary grant award totaling less than $1,000,000 provided during the previous quarter.

(3) The notification required by paragraph (1) and the report required by paragraph (2) shall include the recipient of the award, the amount of the award, the fiscal year for which the funds for the award were appropriated, the account and program, project, or activity from which the funds are being drawn, the title of the award, and a brief description of the activity for which the award is made.

(e) The Department of Energy may not, with respect to any program, project, or activity that uses budget authority made available in this title under the heading “De-
partment of Energy—Energy Programs”, enter into a
multiyear contract, award a multiyear grant, or enter into
a multiyear cooperative agreement unless—

(1) the contract, grant, or cooperative agree-
ment is funded for the full period of performance as
anticipated at the time of award; or

(2) the contract, grant, or cooperative agree-
ment includes a clause conditioning the Federal Gov-
ernment’s obligation on the availability of future
year budget authority and the Secretary notifies the
Committees on Appropriations of both Houses of
Congress at least 3 days in advance.

(d) Except as provided in subsections (e), (f), and (g),
the amounts made available by this title shall be expended
as authorized by law for the programs, projects, and ac-
tivities specified in the “Bill” column in the “Department
of Energy” table included under the heading “Title III—
Department of Energy” in the report of the Committee
on Appropriations accompanying this Act.

(e) The amounts made available by this title may be
reprogrammed for any program, project, or activity, and
the Department shall notify the Committees on Appropria-
tions of both Houses of Congress at least 30 days prior
to the use of any proposed reprogramming that would
cause any program, project, or activity funding level to
increase or decrease by more than $5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.

(f) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates, initiates, or eliminates a program, project, or activity;

(2) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(3) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(g)(1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Secretary of Energy shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied.
Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver.

(h) The unexpended balances of prior appropriations provided for activities in this Act may be available to the same appropriation accounts for such activities established pursuant to this title. Available balances may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.

SEC. 302. Funds appropriated by this or any other Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 3094) during fiscal year 2020 until the enactment of the Intelligence Authorization Act for fiscal year 2020.

SEC. 303. None of the funds made available in this title shall be used for the construction of facilities classified as high-hazard nuclear facilities under 10 CFR Part 830 unless independent oversight is conducted by the Office of Enterprise Assessments to ensure the project is in compliance with nuclear safety requirements.

SEC. 304. None of the funds made available in this title may be used to approve critical decision-2 or critical decision-3 under Department of Energy Order 413.3B, or
any successive departmental guidance, for construction projects where the total project cost exceeds $100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

SEC. 305. (a) None of the funds made available in this or any prior Act under the heading “Defense Nuclear Nonproliferation” may be made available to enter into new contracts with, or new agreements for Federal assistance to, the Russian Federation.

(b) The Secretary of Energy may waive the prohibition in subsection (a) if the Secretary determines that such activity is in the national security interests of the United States. This waiver authority may not be delegated.

(c) A waiver under subsection (b) shall not be effective until 15 days after the date on which the Secretary submits to the Committees on Appropriations of both Houses of Congress, in classified form if necessary, a report on the justification for the waiver.

SEC. 306. Notwithstanding section 161 of the Energy Policy and Conservation Act (42 U.S.C. 6241), upon a determination by the President in this fiscal year that a regional supply shortage of refined petroleum product of significant scope and duration exists, that a severe in-
crease in the price of refined petroleum product will likely result from such shortage, and that a draw down and sale of refined petroleum product would assist directly and significantly in reducing the adverse impact of such shortage, the Secretary of Energy may draw down and sell refined petroleum product from the Strategic Petroleum Reserve. Proceeds from a sale under this section shall be deposited into the SPR Petroleum Account established in section 167 of the Energy Policy and Conservation Act (42 U.S.C. 6247), and such amounts shall be available for obligation, without fiscal year limitation, consistent with that section.

Sec. 307. Of the offsetting collections, including unobligated balances of such collections, in the “Department of Energy—Power Marketing Administration—Colorado River Basins Power Marketing Fund, Western Area Power Administration”, $21,400,000 shall be transferred to the “Department of Interior—Bureau of Reclamation—Upper Colorado River Basin Fund” for the Bureau of Reclamation to carry out environmental stewardship and endangered species recovery efforts.

Sec. 308. Section 5(b) of Public Law 110–414 is amended by adding after paragraph (2) the following new paragraph: “(3) MERCURY STORAGE REVOLVING FUND. There is hereby established the Mercury Storage Revolving Fund which shall be available without fiscal
year limitation. Notwithstanding section 3302 of title 31, United States Code, receipts received from fees described under this subsection shall be credited to this account as offsetting collections, to be available for carrying out the long-term management and storage of elemental mercury generated within the United States without further appropriation.”.

SEC. 309. During fiscal year 2020 and each fiscal year thereafter, notwithstanding any provision of title 5, United States Code, relating to classification or rates of pay, the Southeastern Power Administration shall pay any power system dispatcher employed by the Administration a rate of basic pay and premium pay based on those prevailing for similar occupations in the electric power industry. Basic pay and premium pay may not be paid under this section to any individual during a calendar year so as to result in a total rate in excess of the rate of basic pay for level V of the Executive Schedule (section 5316 of such title).

TITLE IV

INDEPENDENT AGENCIES

APPALACHIAN REGIONAL COMMISSION

For expenses necessary to carry out the programs authorized by the Appalachian Regional Development Act of 1965, and for expenses necessary for the Federal Co-
Chairman and the Alternate on the Appalachian Regional Commission, for payment of the Federal share of the administrative expenses of the Commission, including services as authorized by section 3109 of title 5, United States Code, and hire of passenger motor vehicles, $170,000,000, to remain available until expended.

**Defense Nuclear Facilities Safety Board**

**Salaries and Expenses**

For expenses necessary for the Defense Nuclear Facilities Safety Board in carrying out activities authorized by the Atomic Energy Act of 1954, as amended by Public Law 100–456, section 1441, $31,000,000, to remain available until September 30, 2021.

**Delta Regional Authority**

**Salaries and Expenses**

For expenses necessary for the Delta Regional Authority and to carry out its activities, as authorized by the Delta Regional Authority Act of 2000, $15,000,000, to remain available until expended.

**Denali Commission**

For expenses necessary for the Denali Commission including the purchase, construction, and acquisition of plant and capital equipment as necessary and other expenses, $15,000,000, to remain available until expended, notwithstanding the limitations contained in section
306(g) of the Denali Commission Act of 1998: Provided,

That funds shall be available for construction projects in an amount not to exceed 80 percent of total project cost for distressed communities, as defined by section 307 of the Denali Commission Act of 1998 (division C, title III, Public Law 105–277), as amended by section 701 of appendix D, title VII, Public Law 106–113 (113 Stat. 1501A–280), and an amount not to exceed 50 percent for non-distressed communities: Provided further, That notwithstanding any other provision of law regarding payment of a non-Federal share in connection with a grant-in-aid program, amounts under this heading shall be available for the payment of such a non-Federal share for programs undertaken to carry out the purposes of the Commission.

NORTHERN BORDER REGIONAL COMMISSION

For expenses necessary for the Northern Border Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $22,000,000, to remain available until expended: Provided, That such amounts shall be available for administrative expenses, notwithstanding section 15751(b) of title 40, United States Code.
51

SOUTHEAST CRESCENT REGIONAL COMMISSION

For expenses necessary for the Southeast Crescent Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $250,000, to remain available until expended.

NUCLEAR REGULATORY COMMISSION

SALARIES AND EXPENSES

For expenses necessary for the Commission in carrying out the purposes of the Energy Reorganization Act of 1974 and the Atomic Energy Act of 1954, $885,236,000, including official representation expenses not to exceed $25,000, to remain available until expended:

Provided, That of the amount appropriated herein, not more than $9,500,000 may be made available for salaries, travel, and other support costs for the Office of the Commission, to remain available until September 30, 2021, of which, notwithstanding section 201(a)(2)(c) of the Energy Reorganization Act of 1974 (42 U.S.C. 5841(a)(2)(c)), the use and expenditure shall only be approved by a majority vote of the Commission: Provided further, That revenues from licensing fees, inspection services, and other services and collections estimated at $757,589,000 in fiscal year 2020 shall be retained and used for necessary salaries and expenses in this account, notwithstanding 31 U.S.C. 3302, and shall remain available until expended:
Provided further, That of the amounts appropriated under this heading, not less than $15,478,000 shall be for activities related to the development of regulatory infrastructure for advanced nuclear technologies, and $12,492,000 shall be for international activities, except that the amounts provided under this proviso shall not be derived from fee revenues, notwithstanding 42 U.S.C. 2214: Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2020 so as to result in a final fiscal year 2020 appropriation estimated at not more than $127,647,000: Provided further, That of the amounts appropriated under this heading, $10,500,000 shall be for university research and development in areas relevant to the Commission’s mission, and $5,500,000 shall be for a Nuclear Science and Engineering Grant Program that will support multiyear projects that do not align with programmatic missions but are critical to maintaining the discipline of nuclear science and engineering.

OFFICE OF INSPECTOR GENERAL

For expenses necessary for the Office of Inspector General in carrying out the provisions of the Inspector General Act of 1978, $13,314,000, to remain available until September 30, 2021: Provided, That revenues from licensing fees, inspection services, and other services and
collections estimated at $10,929,000 in fiscal year 2020 shall be retained and be available until September 30, 2021, for necessary salaries and expenses in this account, notwithstanding section 3302 of title 31, United States Code: *Provided further*, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2020 so as to result in a final fiscal year 2020 appropriation estimated at not more than $2,385,000: *Provided further*, That of the amounts appropriated under this heading, $1,171,000 shall be for Inspector General services for the Defense Nuclear Facilities Safety Board, which shall not be available from fee revenues.

**NUCLEAR WASTE TECHNICAL REVIEW BOARD**

**SALARIES AND EXPENSES**

For expenses necessary for the Nuclear Waste Technical Review Board, as authorized by Public Law 100–203, section 5051, $3,600,000, to be derived from the Nuclear Waste Fund, to remain available until September 30, 2021.

**GENERAL PROVISIONS—INDEPENDENT AGENCIES**

Sec. 401. The Nuclear Regulatory Commission shall comply with the July 5, 2011, version of Chapter VI of its Internal Commission Procedures when responding to
Congressional requests for information, consistent with Department of Justice guidance for all federal agencies.

SEC. 402. (a) The amounts made available by this title for the Nuclear Regulatory Commission may be reprogrammed for any program, project, or activity, and the Commission shall notify the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program funding level to increase or decrease by more than $500,000 or 10 percent, whichever is less, during the time period covered by this Act.

(b)(1) The Nuclear Regulatory Commission may waive the notification requirement in subsection (a) if compliance with such requirement would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Nuclear Regulatory Commission shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver and shall provide a detailed report to the...
Committees of such waiver and changes to funding levels to programs, projects, or activities.

(c) Except as provided in subsections (a), (b), and (d), the amounts made available by this title for “Nuclear Regulatory Commission—Salaries and Expenses” shall be expended as directed in the report of the Committee on Appropriations accompanying this Act.

(d) None of the funds provided for the Nuclear Regulatory Commission shall be available for obligation or expenditure through a reprogramming of funds that increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act.

(e) The Commission shall provide a monthly report to the Committees on Appropriations of both Houses of Congress, which includes the following for each program, project, or activity, including any prior year appropriations—

(1) total budget authority;
(2) total unobligated balances; and
(3) total unliquidated obligations.
TITLE V

GENERAL PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

SEC. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

SEC. 502. (a) None of the funds made available in title III of this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the report of the Committee on Appropriations accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(b) None of the funds made available for any department, agency, or instrumentality of the United States Government may be transferred to accounts funded in title III of this Act, except pursuant to a transfer made by or transfer authority provided in this Act or any other appro-
priations Act for any fiscal year, transfer authority re-
ferenced in the report of the Committee on Appropriations
accompanying this Act, or any authority whereby a de-
partment, agency, or instrumentality of the United States
Government may provide goods or services to another de-
partment, agency, or instrumentality.

(e) The head of any relevant department or agency
funded in this Act utilizing any transfer authority shall
submit to the Committees on Appropriations of both
Houses of Congress a semiannual report detailing the
transfer authorities, except for any authority whereby a
department, agency, or instrumentality of the United
States Government may provide goods or services to an-
other department, agency, or instrumentality, used in the
previous 6 months and in the year-to-date. This report
shall include the amounts transferred and the purposes
for which they were transferred, and shall not replace or
modify existing notification requirements for each author-
ity.

SEC. 503. None of the funds made available by this
Act may be used in contravention of Executive Order No.
12898 of February 11, 1994 (Federal Actions to Address
Environmental Justice in Minority Populations and Low-
Income Populations).
Sec. 504. (a) None of the funds made available in this Act may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

(b) Nothing in subsection (a) shall limit the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

This Act may be cited as the “Energy and Water Development and Related Agencies Appropriations Act, 2020”.
