

THE HEROES ACT

A Bold Response to the Coronavirus Pandemic and the Economic Collapse

State and Local Coronavirus Relief Funds

The Heroes Act creates new State and Local Coronavirus Relief Funds through the Department of the Treasury to help first responders, frontline health workers, transit employees, teachers, and other workers providing vital services. Funds can be used for COVID-related expenses, to replace foregone revenues not projected on January 31, 2020, or to respond to negative economic impacts of COVID. Funds are available until expended, providing flexibility over the next several years.

Improvements to the CARES Act Coronavirus Relief Fund:

- Makes the District of Columbia whole by increasing its award so that it is treated as a state, not a territory
- Clarifies that only federally recognized tribal governments are eligible for payments in CARES and the HEROES Act
- Expands the use of funds to cover lost, delayed, or decreased revenue stemming from the COVID public health emergency
