

CONSOLIDATED APPROPRIATIONS ACT
DIVISION-BY-DIVISION SUMMARY

Division A — Homeland Security

The Homeland Security division provides \$49.4 billion in discretionary funding, \$2 billion above the President's budget request and \$1.7 billion above the FY 2018 enacted level. That amount includes \$2 billion for defense-related activities, \$113 million above the request. Additionally, the division provides \$12 billion in major disaster funding.

Bill Highlights:

Customs and Border Protection - \$14.9 billion, \$734 million above the President's initial budget request and \$942 million above the FY 2018 enacted level.

- Provides \$1.375 billion, \$4.325 billion less than the \$5.7 billion the Trump administration requested, for approximately 55 miles of physical barrier along the southern border in the Rio Grande Valley of Texas.
- Provides \$564 million for the installation of non-intrusive imaging equipment in the in-bound lanes of southwest border land ports of entry – significantly increasing the percentage of cars and commercial cargo scanned for narcotics and other contraband.
- Provides \$415 million for humanitarian relief specifically for medical care, transportation, food and cloth; for humanitarian improvements to the McAllen Central Processing Center; and for a new El Paso CBP processing facility.
- Provides \$113 million for additional air and marine assets, to include three multi-enforcement aircraft, one above the request.
- Provides \$100 million for new border security technology.
- Provides \$77 million for opioid equipment and staffing for use at international mail and express consignment facilities.

- Provides \$59 million for 600 new CBP Officers and encourages CBP to use fee funding to hire up to 600 additional CBP officers for a total of 1,200 new officers.
- No funding for new border patrol agents above the current on board levels.
- Does not fund the Administration's request for joint detention facilities.

U. S. Immigration and Customs Enforcement (ICE) - \$7.6 billion, \$704 million below the request and \$512 million above the FY 2018 enacted level.

- Provides an appropriated level for detention beds that establishes Congress's intent to reduce the daily population in ICE detention to approximately 40,520 by the end of the fiscal year, down from a current count of approximately 49,060.
- Expands the Alternatives to Detention program from 82,000 to 100,000.
- Provides \$30.5 million for ATD family case management, which improves compliance with immigration court obligations by helping families' access community-based support for basic housing, healthcare, legal, and educational needs.
- Provides \$40 million for additional ICE staffing dedicated to overall ATD case management, particularly for asylum seekers.
- Funds additional detention facility inspectors in the Office of Professional Oversight to bring the number of inspections up from once every three years to twice per year.
- Provides funding to bring the number of detention facilities in compliance with PREA requirements from 86 percent to 97 percent.
- Provides \$7.4 million for additional attorneys and for courtroom expansion to assist in the backlog of immigration cases currently in the system.

- Provides \$1.9 billion for Homeland Security Investigations (HSI), which focuses on a wide variety of investigations with a cross-border nexus, including those related to human trafficking, financial crimes and cyber investigations.
- Provides an increase of \$7.5 million for new HSI Victim Assistant Specialists and \$44 million for new staffing to enhance opioid/fentanyl-related investigations and analyses.
- No funding for additional enforcement and removal field personnel.

Coast Guard - Provides over \$12 billion total funding (\$10.3 billion in discretionary funding), \$578 million above the request and \$92 million below the FY 2018 enacted level to support the Coast Guard's mission to protect maritime safety and security.

- Provides for an additional 250 military personnel.
- Supports significant new investments in the Coast Guard's fleets and facilities, including the first Polar Security Cutter in over 40 years, six new Fast Response Cutters, recapitalization of the MH-60 aircraft program, and an additional C-130 J aircraft.

Secret Service - \$2.2 billion, \$96.5 million above the request and \$241.6 million above the FY 2018 enacted level.

- Provides funding for 7,650 US Secret Service personnel, the highest level in decades.
- Includes \$6 million for grants related to investigations of missing and exploited children.
- Provides a total of \$25 million for basic and advanced computer forensics training for state and local law enforcement officers, judges, and prosecutors.

- Includes over \$9.5 million for overtime pay for Secret Service agents and officers.

Other Components:

- Transportation Security Agency (TSA) – \$4.9 billion in net discretionary funding, an increase of \$884 million above the request and \$5 million above the FY 2018 enacted level.
 - Includes additional funding for computed tomography imaging systems and \$40 million for airport explosive detection system reimbursement.
 - Fully funds the TSA Visible Intermodal Prevention and Response teams, staffing at exit lanes, as required by law, and the Law Enforcement Officer reimbursement program.
- Federal Emergency Management Agency (FEMA) – \$16.6 billion in net discretionary funding, an increase of \$5.5 billion above the request and \$4.2 billion above the FY 2018 enacted level.
 - Provides FEMA over \$12 billion for disaster relief to help states, communities and citizens respond to and cover from disasters, as well as cost effective mitigation to reduce the risk from future disasters
 - Provides FEMA with \$3.1 billion for grants to help states, communities, citizens, and non-profit organizations, with every grant being at or above the FY 2018 level, including \$277 million for training, exercises and education for our nation’s first responders and emergency managers.
- Provides an additional \$111 million above the request for the Cybersecurity and Infrastructure Security Agency to address high priority cybersecurity and infrastructure protection vulnerabilities.
- Provides \$10 million in direct funding for Citizenship and Integration grants, instead of relying on fee revenue to support the program.

- Provides \$820 million to support cutting edge Science and Technology programs.

Outcome of Policy Provisions:

The bill includes the following provisions related to physical barriers:

- Continues language allowing only fencing designs in use as of 2017 and prohibits construction on sensitive environmental areas such as the Bentsen-Rio State Park, the National Butterfly Center, the Santa Ana Wildlife Refuge, La Lomita Historical Park, and the Lower Rio Grande Wildlife Refuge between Brownsville, TX, and the Gulf of Mexico.

The bill includes the following humanitarian and transparency provisions related to ICE:

- Improves transparency by requiring ICE to make public information about the numbers and types of people in its custody, such as:
 - families;
 - border apprehension detainees;
 - interior enforcement detainees; and
 - those who are in custody who have a positive credible fear claim.

It also requires ICE to report more about the number of people who are participating in its alternatives to detention program.

- Prohibits DHS from preventing a member of Congress from entering any facility that is used to detain or otherwise house children. It also requires that DHS make no changes to the current operations and facility conditions in anticipation of a congressional oversight visit.
- Prevents DHS from destroying any record related to potential sexual assault or abuse of any individual in DHS's custody.
- Prohibits ICE from using information provided by the Office of Refugee Resettlement about sponsors or potential sponsors of unaccompanied children to arrest, detain, or remove those individuals, unless that information reveals the individual has a dangerous criminal background.

- Prevents DHS from placing pregnant women in restraints who are in the custody of DHS, except in extraordinary circumstances.
- Provides oversight of ICE treatment of detainees, including protections for pregnant refugees, prohibiting destruction of detainee sexual assault records, and public reporting related to detainees in ICE custody.

Division B — Agriculture, Rural Development, Food and Drug Administration, and Related Agencies

The Agriculture, Rural Development, Food and Drug Administration, and Related Agencies division provides \$23.042 billion in discretionary funding, \$32 million above the FY2018 enacted level. In addition, it provides the latest estimates for mandatory programs required by law.

Bill Highlights:

Agricultural Research – \$3.16 billion, an increase of \$405 million above the FY2018 enacted level and \$879 million above the President’s budget request, to support agricultural research conducted by the Agricultural Research Service and the National Institute of Food and Agriculture. This amount includes an additional investment of \$381 million in ARS buildings and facilities to ensure researchers have the facilities needed to maintain a safe, stable, and abundant food supply.

Animal and Plant Health Inspection Service – \$1.014 billion, an increase of \$29 million above the FY2018 enacted level and \$272 million above the budget request.

Natural Resources Conservation Service – \$819 million, a decrease of \$55 million below the FY2018 enacted level and an increase of \$150 million above the President’s budget request, for conservation operations to help farmers, ranchers, and private forest landowners conserve and protect their land. Outcome of Policy Provisions:

The bill:

- Continues the following as annual riders rather than making them permanent law as proposed in the House bill:
 - Preventing the federal government from prohibiting imports of curios and relics firearms;
 - Preventing the federal government from issuing regulations relating to the export of certain firearms parts and accessories to Canada;
 - Preventing the federal government from issuing regulations characterizing certain shotguns as “non-sporting” due to military-style features; and
 - Prohibiting federal agents from facilitating the transfer of an operable firearm to any individual associated with a drug cartel (“Fast and Furious” provision).

- Continues the following policy riders related to firearms on a one-year basis:
 - Prohibiting transferring functions of ATF to other agencies; and
 - Prohibiting funding to implement the Arms Trade Treaty, absent ratification by the Senate.

The bill **does not include**:

- House rider preventing the Department of Justice from requiring Federal firearms licensees to report on the sales of multiple long guns to the same person.
- House rider meddling in foreign policy by prohibiting funding related to trademarks connected to a business or assets that were confiscated in Cuba.
- House rider prohibiting the Department of Justice from concluding a settlement that includes payment to a third party – which would have potentially impacted a number of cases including those involving mortgage fraud and environmental pollution.

Division D – Financial Services and General Government

The Financial Services and General Government division provides \$23.42 billion in discretionary funding, equal to the FY 2018 enacted level and \$84 million below the President's budget request, not including program integrity.

Bill Highlights:

Department of the Treasury — \$12.7 billion overall for the Treasury Department.

- Departmental Offices — \$214.6 million, an increase of \$12.8 million above the FY 2018 enacted level and the President's budget request. This boost in resources will enable Treasury to cover implementation costs associated with the Foreign Investment Risk Review Modernization Act of 2018.
- Internal Revenue Service (IRS) — \$11.3 billion, which is an increase of \$75 million above the FY 2018 enacted level for base operations and \$127 million more than the President's budget request (not including program integrity).
