

Rep. Frank Mrvan
FY26 – FSGG
Amendment #1

Broadband Affordability

In the Report:

Page 50, strike the paragraph entitled “Affordable Connectivity Program Report,” and insert the following new paragraph:

“Broadband Affordability – The Committee recognizes the crucial role that the Affordable Connectivity Program played in closing the digital divide for tens of millions of Americans, and particularly for low-income, rural, and Tribal households. The Committee encourages the FCC to prioritize efforts to identify sustainable funding solutions for the program’s restoration and provide those recommendations to Congress within 180 days of enactment.”
