GENERAL PROVISIONS—DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

(INCLUDING RESCISSIONS)

(INCLUDING TRANSFER OF FUNDS)

SEC. 201. Fifty percent of the amounts of budget authority, or in lieu thereof 50 percent of the cash amounts associated with such budget authority, that are recaptured from projects described in section 1012(a) of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988 (42 U.S.C. 1437f note) shall be rescinded or in the case of cash, shall be remitted to the Treasury, and such amounts of budget authority or cash recaptured and not rescinded or remitted to the Treasury shall be used by State housing finance agencies or local governments or local housing agencies with projects approved by the Secretary of Housing and Urban Development for which settlement occurred after January 1, 1992, in accordance

with such section. Notwithstanding the previous sentence, the Secretary may award up to 15 percent of the budget authority or cash recaptured and not rescinded or remitted to the Treasury to provide project owners with incentives to refinance their project at a lower interest rate.

SEC. 202. None of the funds made available by this Act may be used to investigate or prosecute under the Fair Housing Act any otherwise lawful activity engaged in by one or more persons, including the filing or maintaining of a nonfrivolous legal action, that is engaged in solely for the purpose of achieving or preventing action by a Government official or entity, or a court of competent jurisdiction.

SEC. 203. Except as explicitly provided in law, any grant, cooperative agreement or other assistance made pursuant to title II of this Act shall be made on a competitive basis and in accordance with section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545).

SEC. 204. Funds of the Department of Housing and Urban Development subject to the Government Corporation Control Act or section 402 of the Housing Act of 1950 shall be available, without regard to the limitations on administrative expenses, for legal services on a contract or fee basis, and for utilizing and making payment for

services and facilities of the Federal National Mortgage Association, Government National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Financing Bank, Federal Reserve banks or any member thereof, Federal Home Loan banks, and any insured bank within the meaning of the Federal Deposit Insurance Corporation Act, as amended (12 U.S.C. 1811–1).

SEC. 205. Unless otherwise provided for in this Act or through a reprogramming of funds, no part of any appropriation for the Department of Housing and Urban Development shall be available for any program, project or activity in excess of amounts set forth in the budget estimates submitted to Congress.

SEC. 206. Corporations and agencies of the Department of Housing and Urban Development which are subject to the Government Corporation Control Act are hereby authorized to make such expenditures, within the limits of funds and borrowing authority available to each such corporation or agency and in accordance with law, and to make such contracts and commitments without regard to fiscal year limitations as provided by section 104 of such Act as may be necessary in carrying out the programs set forth in the budget for 2026 for such corporation or agency except as hereinafter provided: *Provided,* That collections of these corporations and agencies may be used for

new loan or mortgage purchase commitments only to the extent expressly provided for in this Act (unless such loans are in support of other forms of assistance provided for in this or prior appropriations Acts), except that this proviso shall not apply to the mortgage insurance or guaranty operations of these corporations, or where loans or mortgage purchases are necessary to protect the financial interest of the United States Government.

SEC. 207. None of the funds made available by this title may be used for an audit of the Government National Mortgage Association that makes applicable requirements under the Federal Credit Reform Act of 1990 (2 U.S.C. 661 et seq.).

SEC. 208. (a) Notwithstanding any other provision of law, subject to the conditions listed under this section, for fiscal years 2026 and 2027, the Secretary of Housing and Urban Development may authorize the transfer of some or all project-based assistance, debt held or insured by the Secretary and statutorily required low-income and very low-income use restrictions if any, associated with one or more multifamily housing project or projects to another multifamily housing project or projects.

(b) PHASED TRANSFERS.—Transfers of project-based assistance under this section may be done in phases to accommodate the financing and other requirements re-

lated to rehabilitating or constructing the project or projects to which the assistance is transferred, to ensure that such project or projects meet the standards under subsection (c).

(c) The transfer authorized in subsection (a) is subject to the following conditions:

(1) NUMBER AND BEDROOM SIZE OF UNITS.—

(A) For occupied units in the transferring project: The number of low-income and very low-income units and the configuration (i.e., bedroom size) provided by the transferring project shall be no less than when transferred to the receiving project or projects and the net dollar amount of Federal assistance provided to the transferring project shall remain the same in the receiving project or projects. The Secretary, upon determination of good cause, including a determination that there will be no loss of assistance to currently assisted households, may authorize a different number of such units or a change in such configuration, or both, at the receiving project or projects in the event there is a transfer of use restrictions without an associated transfer of project-based assistance to the receiving project. The Sec-

retary shall publish a notice in the Federal Register for public comment containing the criteria for determinations of good cause no less than 60 days before the effective date of such notice.

(B) For unoccupied units in the transferring project: The Secretary may authorize a reduction in the number of dwelling units in the receiving project or projects to allow for a reconfiguration of bedroom sizes to meet current market demands, as determined by the Secretary and provided there is no increase in the project-based assistance budget authority.

(2) The transferring project shall, as determined by the Secretary, be either physically obsolete or economically nonviable, or be reasonably expected to become economically nonviable when complying with State or Federal requirements for community integration and reduced concentration of individuals with disabilities.

(3) The receiving project or projects shall meet or exceed applicable physical standards established by the Secretary.

(4) The owner or mortgagor of the transferring project shall notify and consult with the tenants residing in the transferring project and provide a cer-

tification of approval by all appropriate local governmental officials.

(5) The tenants of the transferring project who remain eligible for assistance to be provided by the receiving project or projects shall not be required to vacate their units in the transferring project or projects until new units in the receiving project are available for occupancy.

(6) The Secretary determines that this transfer is in the best interest of the tenants.

(7) If either the transferring project or the receiving project or projects meets the condition specified in subsection (d)(2)(A), any lien on the receiving project resulting from additional financing obtained by the owner shall be subordinate to any FHA-insured mortgage lien transferred to, or placed on, such project by the Secretary, except that the Secretary may waive this requirement upon determination that such a waiver is necessary to facilitate the financing of acquisition, construction, and/or rehabilitation of the receiving project or projects.

(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing

use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

(9) The transfer does not increase the cost (as defined in section 502 of the Congressional Budget Act of 1974 (2 U.S.C. 661a)) of any FHA-insured mortgage, except to the extent that appropriations are provided in advance for the amount of any such increased cost.

(e) RESEARCH REPORT.—The Secretary shall conduct an evaluation of the transfer authority under this section, including the effect of such transfers on the operational efficiency, contract rents, physical and financial conditions, and long-term preservation of the affected properties.

SEC. 209. No assistance shall be provided under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) to any individual who—

(1) is enrolled as a student at an institution of higher education (as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002));

(2) is under 24 years of age;

SEC. 210. The funds made available for Native Alaskans under paragraph (1) under the heading ''Native American Programs'' in title II of this Act shall be allocated to the same Native Alaskan housing block grant recipients that received funds in fiscal year 2005, and only such recipients shall be eligible to apply for funds made available under paragraph (2) of such heading.

SEC. 211. Notwithstanding any other provision of law, in fiscal year 2026, in managing and disposing of any multifamily property that is owned or has a mortgage held by the Secretary of Housing and Urban Development, and during the process of foreclosure on any property with a contract for rental assistance payments under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or any other Federal programs, the Secretary shall maintain any rental assistance payments under section 8 of the United States Housing Act of 1937 and other programs that are attached to any dwelling units in the property. To the extent the Secretary determines, in consulta-

tion with the tenants and the local government that such a multifamily property owned or having a mortgage held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (in this section ''MAHRAA'') (42 U.S.C. 1437f note), and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or receivership. After disposition of any multifamily property described in this section, the contract and allowable rent

levels on such properties shall be subject to the requirements under section 524 of MAHRAA.

SEC. 212. Public housing agencies that own and operate 400 or fewer public housing units may elect to be exempt from any asset management requirement imposed by the Secretary in connection with the operating fund rule: *Provided,* That an agency seeking a discontinuance of a reduction of subsidy under the operating fund formula shall not be exempt from asset management requirements.

SEC. 213. With respect to the use of amounts provided in this Act and in future Acts for the operation, capital improvement, and management of public housing as authorized by sections 9(d) and 9(e) of the United States Housing Act of 1937 (42 U.S.C. 1437g(d), (e)), the Secretary shall not impose any requirement or guideline relating to asset management that restricts or limits in any way the use of capital funds for central office costs pursuant to paragraph (1) or (2) of section 9(g) of the United States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)): *Provided,* That a public housing agency may not use capital funds authorized under section 9(d) for activities that are eligible under section 9(e) for assistance with amounts from the operating fund in excess of the amounts permitted under paragraph (1) or (2) of section 9(g).

SEC. 214. No official or employee of the Department of Housing and Urban Development shall be designated as an allotment holder unless the Office of the Chief Financial Officer has determined that such allotment holder has implemented an adequate system of funds control and has received training in funds control procedures and directives. The Chief Financial Officer shall ensure that there is a trained allotment holder for each HUD appropriation under the accounts ''Executive Offices'', ''Administrative Support Offices'', ''Program Offices'', ''Government National Mortgage Association—Guarantees of Mortgage-Backed Securities Loan Guarantee Program Account'', and ''Office of Inspector General'' within the Department of Housing and Urban Development.

SEC. 215. Notwithstanding any other provision of law, for fiscal year 2026, the Secretary may make a notice of funding opportunity, and a notice of any funding decision, for any program or discretionary fund administered by the Secretary that is to be competitively awarded available only on the Internet at the appropriate Government website or through other electronic media, as determined by the Secretary.

SEC. 216. Payment of attorney fees in program-related litigation shall be paid from the individual program

office and Office of General Counsel salaries and expenses appropriations.

SEC. 217. The Secretary is authorized to transfer up to 10 percent or $5,000,000, whichever is less, of funds appropriated for any office under the headings ''Administrative Support Offices'' or ''Program Offices'' to any other such office under such headings: *Provided,* That the Secretary shall provide notification to such Committees 5 business days in advance of any such transfers.

SEC. 218. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary, and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condition of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a contract under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or a contract for similar project-based assistance—

(1) receives a failing score under the Uniform Physical Condition Standards (UPCS) or successor standard; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies, or those deficiencies requiring correction within 24 hours, identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and non-insured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but shall not apply to such units assisted under section 8(o)(13) of such Act (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the Real Estate Assessment Center (''REAC'') inspection, the Secretary shall provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary shall provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner's appeal results in a passing score, the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all deficiencies specified in the Notice of Default, if the owner fails to fully correct such deficiencies, the Secretary may—

(A) require immediate replacement of project management with a management agent approved by the Secretary;

(B) impose civil money penalties, which shall be used solely for the purpose of supporting safe and sanitary conditions at applicable properties, as designated by the Secretary, with priority given to the tenants of the property affected by the penalty;

(C) abate the section 8 contract, including partial abatement, as determined by the Secretary, until all deficiencies have been corrected;

(D) pursue transfer of the project to an owner, approved by the Secretary under established procedures, who will be obligated to promptly make all required repairs and to accept renewal of the assistance contract if such renewal is offered;

(E) transfer the existing section 8 contract to another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial order of specific performance requiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other related party to stabilize the property in an attempt to preserve the property through compliance, transfer of ownership, or an infusion of capital provided by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (''MAHRAA''); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance pay-

ments with an owner or owners of other existing housing properties, or provide other rental assistance.

(e) The Secretary shall report semi-annually on all properties covered by this section that are assessed through the Real Estate Assessment Center and have failing physical inspection scores or have received an unsatisfactory management and occupancy review within the past 36 months. The report shall include—

(1) identification of the enforcement actions being taken to address such conditions, including imposition of civil money penalties and termination of subsidies, and identification of properties that have such conditions multiple times;

(2) identification of actions that the Department of Housing and Urban Development is taking to protect tenants of such identified properties; and

(3) any administrative or legislative recommendations to further improve the living conditions at properties covered under a housing assistance payment contract.

The first report shall be submitted to the Senate and House Committees on Appropriations not later than 30 days after the enactment of this Act, and the second re-

port shall be submitted within 180 days of the transmittal of the first report.

SEC. 219. None of the funds made available by this Act, or any other Act, for purposes authorized under section 8 (only with respect to the tenant-based rental assistance program) and section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437 et seq.), may be used by any public housing agency for any amount of salary, including bonuses, for the chief executive officer of which, or any other official or employee of which, that exceeds the annual rate of basic pay payable for a position at level IV of the Executive Schedule at any time during any public housing agency fiscal year 2026.

SEC. 220. None of the funds made available by this Act and provided to the Department of Housing and Urban Development may be used to make, withdraw, terminate, or rescind (except at the request of the recipient) a grant award unless the Secretary notifies the House and Senate Committees on Appropriations not less than 3 full business days before any project, State, locality, housing authority, tribe, nonprofit organization, or other entity selected to receive a grant award is announced or is notified of such changes by the Department or its offices: *Provided*, That such notification shall list each grant award and project description by State and congressional district.

SEC. 221. None of the funds made available in this Act shall be used by the Federal Housing Administration, the Government National Mortgage Association, or the Department of Housing and Urban Development to insure, securitize, or establish a Federal guarantee of any mortgage or mortgage backed security that refinances or otherwise replaces a mortgage that has been subject to eminent domain condemnation or seizure, by a State, municipality, or any other political subdivision of a State.

SEC. 222. None of the funds made available by this Act may be used to terminate the status of a unit of general local government as a metropolitan city (as defined in section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302)) with respect to grants under section 106 of such Act (42 U.S.C. 5306).

SEC. 223. Amounts made available by this Act that are appropriated, allocated, advanced on a reimbursable basis, or transferred to the Office of Policy Development and Research of the Department of Housing and Urban Development and functions thereof, for research, evaluation, or statistical purposes, and that are unexpended at the time of completion of a contract, grant, or cooperative agreement, may be deobligated and shall immediately become available and may be reobligated in that fiscal year or the subsequent fiscal year for the research, evaluation,

or statistical purposes for which the amounts are made available to that Office subject to reprogramming requirements in section 405 of this Act.

SEC. 224. None of the funds provided in this Act or any other Act may be used for awards, including performance, special act, or spot, for any employee of the Department of Housing and Urban Development subject to administrative discipline (including suspension from work), in this fiscal year, but this prohibition shall not be effective prior to the effective date of any such administrative discipline or after any final decision over-turning such discipline.

SEC. 225. With respect to grant amounts awarded under the heading ''Homeless Assistance Grants'' for fiscal years 2015 through 2026 for the continuum of care (CoC) program as authorized under subtitle C of title IV of the McKinney-Vento Homeless Assistance Act, costs paid by program income of grant recipients may count toward meeting the recipient's matching requirements, provided the costs are eligible CoC costs that supplement the recipient's CoC program.

SEC. 226. (a) From amounts made available under this title under the heading ''Homeless Assistance Grants'', the Secretary may award 1-year transition grants to recipients of funds for activities under subtitle

C of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381 et seq.) to transition from one continuum of care program component to another.

(b) In order to be eligible to receive a transition grant, the funding recipient must have the consent of the continuum of care and meet standards determined by the Secretary.

SEC. 227. The promise zone designations and promise zone designation agreements entered into pursuant to such designations, made by the Secretary in prior fiscal years, shall remain in effect in accordance with the terms and conditions of such agreements (including designation and agreement time periods).

SEC. 228. Any public housing agency designated as a Moving to Work agency pursuant to section 239 of division L of Public Law 114–113 (42 U.S.C. 1437f note; 129 Stat. 2897) may, upon such designation, use funds (except for special purpose funding, including special purpose vouchers) previously allocated to any such public housing agency under section 8 or 9 of the United States Housing Act of 1937, including any reserve funds held by the public housing agency or funds held by the Department of Housing and Urban Development, pursuant to the authority for use of section 8 or 9 funding provided under such section and section 204 of title II of the Departments

of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1996 (Public Law 104–134; 110 Stat. 1321–28), notwithstanding the purposes for which such funds were appropriated.

SEC. 229. None of the amounts made available by this Act may be used to prohibit any public housing agency under receivership or the direction of a Federal monitor from applying for, receiving, or using funds made available under the heading ''Public Housing Fund'' for competitive grants to evaluate and reduce lead-based paint hazards in this Act or that remain available and not awarded from prior Acts, or be used to prohibit a public housing agency from using such funds to carry out any required work pursuant to a settlement agreement, consent decree, voluntary agreement, or similar document for a violation of the lead safe housing or lead disclosure rules.

SEC. 230. For fiscal year 2026, if the Secretary determines or has determined, for any prior formula grant allocation administered by the Secretary through the Offices of Public and Indian Housing, Community Planning and Development, or Housing, that a recipient received an allocation greater than the amount such recipient should have received for a formula allocation cycle pursuant to applicable statutes and regulations, the Secretary

may adjust for any such funding error in the next applicable formula allocation cycle by (a) offsetting each such recipient's formula allocation (if eligible for a formula allocation in the next applicable formula allocation cycle) by the amount of any such funding error, and (b) reallocating any available balances that are attributable to the offset to the recipient or recipients that would have been allocated additional funds in the formula allocation cycle in which any such error occurred (if such recipient or recipients are eligible for a formula allocation in the next applicable formula allocation cycle) in an amount proportionate to such recipient's eligibility under the next applicable formula allocation cycle: *Provided,* That all offsets and reallocations from such available balances shall be recorded against funds available for the next applicable formula allocation cycle: *Provided further,* That the term ''next applicable formula allocation cycle'' means the first formula allocation cycle for a program that is reasonably available for correction following such a Secretarial determination: *Provided further,* That if, upon request by a recipient and giving consideration to all Federal resources available to the recipient for the same grant purposes, the Secretary determines that the offset in the next applicable formula allocation cycle would critically impair the recipient's ability to accomplish the purpose of the formula grant, the

Secretary may adjust for the funding error across two or more formula allocation cycles.

SEC. 231. The Secretary may transfer from amounts made available for salaries and expenses under this title (excluding amounts made available under the heading ''Office of Inspector General'') to the heading ''Information Technology Fund'' for unforeseen information technology needs, including for additional development, modernization, and enhancement, to remain available until September 30, 2028: *Provided,* That the total amount of such transfers shall not exceed $5,000,000: *Provided further,* That this transfer authority shall not be used to fund information technology projects or activities that have known out-year development, modernization, or enhancement costs in excess of $500,000: *Provided further,* That this transfer authority shall not be used to allocate costs across offices for broader departmental information technology needs: *Provided further,* That the Secretary shall provide notification to the House and Senate Committees on Appropriations no fewer than 10 business days in advance of any such transfer.

SEC. 232. The Secretary shall comply with all process requirements, including public notice and comment, when seeking to revise any annual contributions contract: *Provided,* That the Secretary shall provide public housing au-
