## FINANCIAL SERVICES AND GENERAL GOVERNMENT APPROPRIATIONS ACT, 2026

The Financial Services and General Government Appropriations Act provides a total discretionary allocation of \$26.5 billion. The defense portion of the allocation is \$45 million, and the non-defense portion of the allocation is \$26.3 billion.

The bill delivers on President Trump's America First agenda by ending divisive, liberal Biden-era policies, restoring common sense to the federal government, and ensuring the Executive Branch has the resources it needs to execute the mandate given by the nation. The measure upholds the rights of American citizens, strengthens national security, and harnesses technology to make the federal government work smarter, faster, and more efficiently for the American people.

### KEY TAKEAWAYS

- **Drives economic growth, supports U.S. financial systems, and invests in technology innovation by:**
  - Modernizing the Internal Revenue Service (IRS) to better support taxpayers and crack down on fraudsters and tax cheats.
  - Ensuring the Securities and Exchange Commission has the resources it needs to increase access to capital and support everyday investors.
  - Supporting entrepreneurship and small business development.
  - Maintaining “Buy American” provisions that maximize the federal government’s use of services, goods, products, and materials produced and offered in the United States.
  - Protecting consumer freedom in kitchen appliance, other tool, and recreational vehicle products through prohibition of Biden-era regulations.
  - Delivering targeted funding to support American leadership as the United States hosts the G-20 Summit.
  - Strengthening government-wide cybersecurity and information technology (IT) upgrades, modernizing infrastructure at agencies like the Treasury, the Executive Office of the President, and the Judiciary.
- **Protects taxpayers from government overreach and reaffirms core rights by:**
  - Prohibiting the IRS from targeting individuals for exercising their First Amendment rights.
  - Maintaining critical pro-life riders, including prohibitions on taxpayer funds for abortions.
  - Protecting the ideological beliefs of individuals or groups.
  - Supporting a fair and unbiased judicial system.
- **Champions President Trump’s America First agenda and American values by:**

# APPROPRIATIONS

CHAIRMAN TOM COLE *Tom Cole*

- Providing increased funding to Make D.C. Safe Again.
- Making federal buildings Beautiful Again.
- Ensuring scholarship process is based on merit and not political ideology.
- Supporting First Amendment rights of Americans.
- **Bolsters U.S. national security and border protections by:**
  - Fully funding the Committee on Foreign Investment in the United States to ensure it has the tools to adequately scrutinize foreign investment by countries like China.
  - Enhancing funding for Treasury's Office of Terrorism and Financial Intelligence to strengthen efforts to prevent and deter terrorists, criminals, and other bad actors from using the financial system.
  - Equipping Treasury and other agencies with tools to bolster cybersecurity and stop foreign adversaries and criminals from hacking our nation's critical infrastructure.
  - Protecting Americans from deadly drugs like fentanyl by investing in the High Intensity Drug Trafficking Area (HIDTA) program to strengthen interdiction efforts and stop narcotics from entering our borders and communities.
- **Restores fiscal sanity and protects taxpayer dollars by:**
  - Continuing important oversight of remaining COVID-era programs and funding streams to stop waste, fraud, and abuse of taxpayer dollars.
  - Taking steps to identify underutilized federal office spaces to lower costs and cut wasteful Washington spending.
  - Cutting IRS enforcement funding to rein in a supercharged agency targeting hardworking Americans, and redirects resources toward customer service and technology support so taxpayers get answers and a more streamlined tax season – not supercharged audits.
- **Enforces constitutional oversight of the District of Columbia by:**
  - Maintaining pro-life safeguards on the use of government funds.
  - Retaining the conscience clause on any D.C. contraceptive requirement.
  - Banning D.C.'s harmful and addiction-enabling needle exchange program.
  - Bolstering President Trump's "Make America Safe Again" agenda by supporting offender supervision, National Guard, law enforcement, and public safety programs in the nation's capital.
  - Empowering families to choose the educational options best suited to help their kids learn and grow through school choice support.

## DETAILED FUNDING SUMMARY
