8 (b) GENERAL GUIDELINES FOR RE-
9 PROGRAMMING.—

10 (1) A reprogramming should be made only when an
11 unforeseen situation arises, and then only if postponement
12 of the project or the activity until the next appropriation
13 year would result in actual loss or damage.

14 (2) Any project or activity, which may be deferred
15 through reprogramming, shall not later be accomplished
16 by means of further reprogramming, but instead, funds
17 should again be sought for the deferred project or activity
18 through the regular appropriations process.

19 (3) Except under the most urgent situations, re-
20 programming should not be employed to initiate new pro-
21 grams or increase allocations specifically denied or limited
22 by the Congress, or to decrease allocations specifically in-
23 creased by the Congress.

24 (4) New programs requested in the budget should not
25 be initiated before enactment of the bill without notifica-

1 tion to, and the approval of, the Committees on Appro-
2 priations of the House of Representatives and the Senate
3 (hereinafter “the Committees”). This restriction applies to
4 all such actions regardless of whether a formal reprogram-
5 ming of funds is required to begin the program.

6 (c) CRITERIA.—

7 (1) A reprogramming shall be submitted to the Com-
8 mittees in writing 30 days prior to implementation if:

11 crease of more than 10 percent of funds annually in
12 any affected program, project, or activity;

13 (B) it is a reorganization; or

14 (C) it is an operating plan or any later modi-
15 fication thereof as submitted under subsection (i) of
16 this section: *Provided*, That such plan or modifica-
17 tion thereof also meets any of the other criteria
18 under subsection (c)(1) of this section.

19 (2) No funds shall be available for obligation or ex-
20 penditure through a reprogramming until 30 days after
21 the receipt by the Committees of a notice of proposed re-
22 programming.

23 (3) A reprogramming shall be considered approved 30
24 days after receipt if the Committees have posed no objec-
25 tion. However, agencies will be expected to extend the ap-

1 proval deadline if specifically requested by either Com-
2 mittee.

3 (d) EXCEPTIONS.—

4 (1) With regard to the tribal priority allocations of
5 the Bureau of Indian Affairs, there is no restriction on

9 the fiscal year.

10 (2) With regard to the Environmental Protection
11 Agency, State and Tribal Assistance Grants account, the
12 Committees do not require reprogramming requests asso-
13 ciated with States and Tribes Partnership Grants.

14 (e) ASSESSMENTS.—

15 (1) No assessment shall be levied or collected unless
16 such assessment and the basis therefor are presented to
17 the Committees in the budget justifications and are subse-
18 quently approved by the Committees. The explanation for
19 any assessment in the budget justification shall show the
20 amount of the assessment, the activities assessed, and the
21 purpose of the funds.

22 (2) Proposed changes to estimated assessments, as
23 such estimates were presented in annual budget justifica-
24 tions, shall be submitted through the reprogramming proc-

1 ess set out in this section and shall be subject to the same
2 dollar and reporting criteria as any other reprogramming.

3 (3) Each department, agency or bureau that utilizes
4 assessments shall submit an annual report to the Commit-
5 tees which provides details on the use of all funds assessed
6 from any other program, project, or activity.
