H. R. ________

[Report No. 114–___]

Making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2016, and for other purposes.

__IN THE HOUSE OF REPRESENTATIVES__

____ --, 2015

Mr. Calvert, from the Committee on Appropriations, reported the following bill; which was committed to the Committee of the Whole House on the State of the Union and ordered to be printed

_____  

A BILL

Making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2016, and for other purposes.
Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2016, and for other purposes, namely:

TITLE I—DEPARTMENT OF THE INTERIOR

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For necessary expenses for protection, use, improvement, development, disposal, cadastral surveying, classification, acquisition of easements and other interests in lands, and performance of other functions, including maintenance of facilities, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, including the general administration of the Bureau, and assessment of mineral potential of public lands pursuant to section 1010(a) of Public Law 96–487 (16 U.S.C. 3150(a)), $1,015,046,000, to remain available until expended, including all such amounts as are collected from permit processing fees, as authorized but made subject to future appropriation by section 35(d)(3)(A)(i) of the Mineral Leasing Act (30 U.S.C. 191), except that amounts from permit processing
fees may be used for any bureau-related expenses associated with the processing of oil and gas applications for permits to drill and related use of authorizations; of which $3,000,000 shall be available in fiscal year 2016 subject to a match by at least an equal amount by the National Fish and Wildlife Foundation for cost-shared projects supporting conservation of Bureau lands; and such funds shall be advanced to the Foundation as a lump-sum grant without regard to when expenses are incurred.

In addition, $39,696,000 is for Mining Law Administration program operations, including the cost of administering the mining claim fee program, to remain available until expended, to be reduced by amounts collected by the Bureau and credited to this appropriation from mining claim maintenance fees and location fees that are hereby authorized for fiscal year 2016, so as to result in a final appropriation estimated at not more than $1,015,046,000, and $2,000,000, to remain available until expended, from communication site rental fees established by the Bureau for the cost of administering communication site activities.

LAND ACQUISITION

For expenses necessary to carry out sections 205, 206, and 318(d) of Public Law 94–579, including administrative expenses and acquisition of lands or waters, or interests therein, $7,250,000, to be derived from the Land
and Water Conservation Fund and to remain available until expended.

OREGON AND CALIFORNIA GRANT LANDS

For expenses necessary for management, protection, and development of resources and for construction, operation, and maintenance of access roads, reforestation, and other improvements on the revested Oregon and California Railroad grant lands, on other Federal lands in the Oregon and California land-grant counties of Oregon, and on adjacent rights-of-way; and acquisition of lands or interests therein, including existing connecting roads on or adjacent to such grant lands; $110,602,000, to remain available until expended: Provided, That 25 percent of the aggregate of all receipts during the current fiscal year from the revested Oregon and California Railroad grant lands is hereby made a charge against the Oregon and California land-grant fund and shall be transferred to the General Fund in the Treasury in accordance with the second paragraph of subsection (b) of title II of the Act of August 28, 1937 (43 U.S.C. 1181f).

RANGE IMPROVEMENTS

For rehabilitation, protection, and acquisition of lands and interests therein, and improvement of Federal rangelands pursuant to section 401 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1751),
notwithstanding any other Act, sums equal to 50 percent of all moneys received during the prior fiscal year under sections 3 and 15 of the Taylor Grazing Act (43 U.S.C. 315b, 315m) and the amount designated for range improvements from grazing fees and mineral leasing receipts from Bankhead-Jones lands transferred to the Department of the Interior pursuant to law, but not less than $10,000,000, to remain available until expended: Provided, That not to exceed $600,000 shall be available for administrative expenses.

SERVICE CHARGES, DEPOSITS, AND FORFEITURES

For administrative expenses and other costs related to processing application documents and other authorizations for use and disposal of public lands and resources, for costs of providing copies of official public land documents, for monitoring construction, operation, and termination of facilities in conjunction with use authorizations, and for rehabilitation of damaged property, such amounts as may be collected under Public Law 94–579 (43 U.S.C. 1701 et seq.), and under section 28 of the Mineral Leasing Act (30 U.S.C. 185), to remain available until expended: Provided, That, notwithstanding any provision to the contrary of section 305(a) of Public Law 94–579 (43 U.S.C. 1735(a)), any moneys that have been or will be received pursuant to that section, whether as a result of forfeiture,
compromise, or settlement, if not appropriate for refund pursuant to section 305(e) of that Act (43 U.S.C. 1735(c)), shall be available and may be expended under the authority of this Act by the Secretary to improve, protect, or rehabilitate any public lands administered through the Bureau of Land Management which have been damaged by the action of a resource developer, purchaser, permittee, or any unauthorized person, without regard to whether all moneys collected from each such action are used on the exact lands damaged which led to the action: Provided further, That any such moneys that are in excess of amounts needed to repair damage to the exact land for which funds were collected may be used to repair other damaged public lands.

MISCELLANEOUS TRUST FUNDS

In addition to amounts authorized to be expended under existing laws, there is hereby appropriated such amounts as may be contributed under section 307 of Public Law 94–579 (43 U.S.C. 1737), and such amounts as may be advanced for administrative costs, surveys, appraisals, and costs of making conveyances of omitted lands under section 211(b) of that Act (43 U.S.C. 1721(b)), to remain available until expended.
The Bureau of Land Management may carry out the operations funded under this Act by direct expenditure, contracts, grants, cooperative agreements and reimbursable agreements with public and private entities, including with States. Appropriations for the Bureau shall be available for purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title; up to $100,000 for payments, at the discretion of the Secretary, for information or evidence concerning violations of laws administered by the Bureau; miscellaneous and emergency expenses of enforcement activities authorized or approved by the Secretary and to be accounted for solely on the Secretary’s certificate, not to exceed $10,000: Provided, That notwithstanding Public Law 90–620 (44 U.S.C. 501), the Bureau may, under cooperative cost-sharing and partnership arrangements authorized by law, procure printing services from cooperators in connection with jointly produced publications for which the cooperators share the cost of printing either in cash or in services, and the Bureau determines the cooperator is capable of meeting accepted quality standards: Provided further, That projects to be funded pursuant to a written commitment by a State government to provide an identi-
fied amount of money in support of the project may be carried out by the Bureau on a reimbursable basis. Appropriations herein made shall not be available for the destruction of healthy, unadopted, wild horses and burros in the care of the Bureau or its contractors or for the sale of wild horses and burros that results in their destruction for processing into commercial products.

UNITED STATES FISH AND WILDLIFE SERVICE

RESOURCE MANAGEMENT

For necessary expenses of the United States Fish and Wildlife Service, as authorized by law, and for scientific and economic studies, general administration, and for the performance of other authorized functions related to such resources, $1,220,343,000, to remain available until September 30, 2017: Provided, That not to exceed $10,257,000 shall be used for implementing subsections (a), (b), (c), and (e) of section 4 of the Endangered Species Act of 1973 (16 U.S.C. 1533) (except for processing petitions, developing and issuing proposed and final regulations, and taking any other steps to implement actions described in subsection (c)(2)(A), (c)(2)(B)(i), or (c)(2)(B)(ii)).

CONSTRUCTION

For construction, improvement, acquisition, or removal of buildings and other facilities required in the con-
reservation, management, investigation, protection, and utilization of fish and wildlife resources, and the acquisition of lands and interests therein; $13,144,000, to remain available until expended.

LAND ACQUISITION

For expenses necessary to carry out the Land and Water Conservation Fund Act of 1965, (16 U.S.C. 460l-4 et seq.), including administrative expenses, and for acquisition of land or waters, or interest therein, in accordance with statutory authority applicable to the United States Fish and Wildlife Service, $27,500,000, to be derived from the Land and Water Conservation Fund and to remain available until expended: Provided, That none of the funds appropriated for specific land acquisition projects may be used to pay for any administrative overhead, planning or other management costs.

COOPERATIVE ENDANGERED SPECIES CONSERVATION FUND

For expenses necessary to carry out section 6 of the Endangered Species Act of 1973 (16 U.S.C. 1535), $50,095,000, to be derived from the Land and Water Conservation Fund and to remain available until expended.

NATIONAL WILDLIFE REFUGE FUND

For expenses necessary to implement the Act of October 17, 1978 (16 U.S.C. 715s), $13,228,000.
NORTH AMERICAN WETLANDS CONSERVATION FUND

For expenses necessary to carry out the provisions of the North American Wetlands Conservation Act (16 U.S.C. 4401 et seq.), $35,000,000, to remain available until expended.

NEOTROPICAL MIGRATORY BIRD CONSERVATION

For expenses necessary to carry out the Neotropical Migratory Bird Conservation Act (16 U.S.C. 6101 et seq.), $3,660,000, to remain available until expended.

MULTINATIONAL SPECIES CONSERVATION FUND

STATE AND TRIBAL WILDLIFE GRANTS

For wildlife conservation grants to States and to the District of Columbia, Puerto Rico, Guam, the United States Virgin Islands, the Northern Mariana Islands, American Samoa, and Indian tribes under the provisions of the Fish and Wildlife Act of 1956 and the Fish and Wildlife Coordination Act, for the development and imple-
mentation of programs for the benefit of wildlife and their
habitat, including species that are not hunted or fished,
$59,195,000, to remain available until expended: Pro-
vided, That of the amount provided herein, $4,084,000 is
for a competitive grant program for Indian tribes not sub-
ject to the remaining provisions of this appropriation: Pro-
vided further, That $5,987,000 is for a competitive grant
program to implement approved plans for States, terri-
tories, and other jurisdictions and at the discretion of af-
fected States, the regional Associations of fish and wildlife
agencies, not subject to the remaining provisions of this
appropriation: Provided further, That the Secretary shall,
after deducting $10,071,000 and administrative expenses,
apportion the amount provided herein in the following
manner: (1) to the District of Columbia and to the Com-
monwealth of Puerto Rico, each a sum equal to not more
than one-half of 1 percent thereof; and (2) to Guam,
American Samoa, the United States Virgin Islands, and
the Commonwealth of the Northern Mariana Islands, each
a sum equal to not more than one-fourth of 1 percent
thereof: Provided further, That the Secretary shall apor-
tion the remaining amount in the following manner: (1)
one-third of which is based on the ratio to which the land
area of such State bears to the total land area of all such
States; and (2) two-thirds of which is based on the ratio
to which the population of such State bears to the total population of all such States: *Provided further,* That the amounts apportioned under this paragraph shall be adjusted equitably so that no State shall be apportioned a sum which is less than 1 percent of the amount available for apportionment under this paragraph for any fiscal year or more than 5 percent of such amount: *Provided further,* That the Federal share of planning grants shall not exceed 75 percent of the total costs of such projects and the Federal share of implementation grants shall not exceed 65 percent of the total costs of such projects: *Provided further,* That the non-Federal share of such projects may not be derived from Federal grant programs: *Provided further,* That any amount apportioned in 2016 to any State, territory, or other jurisdiction that remains unobligated as of September 30, 2017, shall be reapportioned, together with funds appropriated in 2018, in the manner provided here-in.

**ADMINISTRATIVE PROVISIONS**

The United States Fish and Wildlife Service may carry out the operations of Service programs by direct expenditure, contracts, grants, cooperative agreements and reimbursable agreements with public and private entities.

Appropriations and funds available to the United States Fish and Wildlife Service shall be available for repair of
damage to public roads within and adjacent to reservation areas caused by operations of the Service; options for the purchase of land at not to exceed $1 for each option; facilities incident to such public recreational uses on conservation areas as are consistent with their primary purpose; and the maintenance and improvement of aquaria, buildings, and other facilities under the jurisdiction of the Service and to which the United States has title, and which are used pursuant to law in connection with management, and investigation of fish and wildlife resources: Provided, That notwithstanding 44 U.S.C. 501, the Service may, under cooperative cost sharing and partnership arrangements authorized by law, procure printing services from cooperators in connection with jointly produced publications for which the cooperators share at least one-half the cost of printing either in cash or services and the Service determines the cooperator is capable of meeting accepted quality standards: Provided further, That the Service may accept donated aircraft as replacements for existing aircraft: Provided further, That notwithstanding 31 U.S.C. 3302, all fees collected for non-toxic shot review and approval shall be deposited under the heading “United States Fish and Wildlife Service—Resource Management” and shall be available to the Secretary, without further appropriation, to be used for expenses of processing of
such non-toxic shot type or coating applications and revising regulations as necessary, and shall remain available until expended.

**National Park Service**

**Operation of the National Park System**

For expenses necessary for the management, operation, and maintenance of areas and facilities administered by the National Park Service and for the general administration of the National Park Service, $2,327,811,000, of which $10,001,000 for planning and interagency coordination in support of Everglades restoration and $96,961,000 for maintenance, repair, or rehabilitation projects for constructed assets shall remain available until September 30, 2017.

**National Recreation and Preservation**

For expenses necessary to carry out recreation programs, natural programs, cultural programs, heritage partnership programs, environmental compliance and review, international park affairs, and grant administration, not otherwise provided for, $62,467,000.

**Historic Preservation Fund**

For expenses necessary in carrying out the National Historic Preservation Act (16 U.S.C. 470 et seq.), $60,910,000, to be derived from the Historic Preservation Fund and to remain available until September 30, 2017,
of which $500,000 is for competitive grants for the survey and nomination of properties to the National Register of Historic Places and as National Historic Landmarks associated with communities currently underrepresented, as determined by the Secretary, and of which $4,500,000 is for competitive grants to preserve the sites and stories of the Civil Rights movement.

CONSTRUCTION

For construction, improvements, repair, or replacement of physical facilities, including modifications authorized by section 104 of the Everglades National Park Protection and Expansion Act of 1989 (16 U.S.C. 410r-8), $139,555,000, to remain available until expended: Provided, That notwithstanding any other provision of law, for any project initially funded in fiscal year 2016 with a future phase indicated in the National Park Service 5-Year Line Item Construction Plan, a single procurement may be issued which includes the full scope of the project: Provided further, That the solicitation and contract shall contain the clause availability of funds found at 48 CFR 52.232–18.
LAND AND WATER CONSERVATION FUND

(RESCSSION)

LAND ACQUISITION AND STATE ASSISTANCE

For expenses necessary to carry out the Land and Water Conservation Act of 1965 (16 U.S.C. 460l-4 through 11), including administrative expenses, and for acquisition of lands or waters, or interest therein, in accordace with the statutory authority applicable to the National Park Service, $84,367,000, to be derived from the Land and Water Conservation Fund and to remain available until expended, of which $48,117,000 is for the State assistance program and of which $9,000,000 shall be for the American Battlefield Protection Program grants as authorized by section 7301 of the Omnibus Public Land Management Act of 2009 (Public Law 111–11).

CENTENNIAL CHALLENGE

For expenses necessary to carry out the provisions of section 814(g) of Public Law 104–333 (16 U.S.C. 1f) relating to challenge cost share agreements, $20,000,000, to remain available until expended, for Centennial Challenge projects and programs: Provided, That not less than 50 percent of the total cost of each project or program
shall be derived from non-Federal sources in the form of
donated cash, assets, or a pledge of donation guaranteed
by an irrevocable letter of credit.

ADMINISTRATIVE PROVISIONS
(INCLUDING TRANSFER OF FUNDS)

In addition to other uses set forth in section 407(d)
of Public Law 105–391, franchise fees credited to a sub-
account shall be available for expenditure by the Sec-
retary, without further appropriation, for use at any unit
within the National Park System to extinguish or reduce
liability for Possessory Interest or leasehold surrender in-
terest. Such funds may only be used for this purpose to
the extent that the benefitting unit anticipated franchise
fee receipts over the term of the contract at that unit ex-
ceed the amount of funds used to extinguish or reduce
liability. Franchise fees at the benefitting unit shall be
credited to the sub-account of the originating unit over
a period not to exceed the term of a single contract at
the benefitting unit, in the amount of funds so expended
to extinguish or reduce liability.

For the costs of administration of the Land and
Water Conservation Fund grants authorized by section
105(a)(2)(B) of the Gulf of Mexico Energy Security Act
of 2006 (Public Law 109–432), the National Park Service
may retain up to 3 percent of the amounts which are au-
authorized to be disbursed under such section, such retained amounts to remain available until expended.

National Park Service funds may be transferred to the Federal Highway Administration (FHWA), Department of Transportation, for purposes authorized under 23 U.S.C. 204. Transfers may include a reasonable amount for FHWA administrative support costs.

UNITED STATES GEOLOGICAL SURVEY

SURVEYS, INVESTIGATIONS, AND RESEARCH

For expenses necessary for the United States Geological Survey to perform surveys, investigations, and research covering topography, geology, hydrology, biology, and the mineral and water resources of the United States, its territories and possessions, and other areas as authorized by 43 U.S.C. 31, 1332, and 1340; classify lands as to their mineral and water resources; give engineering supervision to power permittees and Federal Energy Regulatory Commission licensees; administer the minerals exploration program (30 U.S.C. 641); conduct inquiries into the economic conditions affecting mining and materials processing industries (30 U.S.C. 3, 21a, and 1603; 50 U.S.C. 98g(1)) and related purposes as authorized by law; and to publish and disseminate data relative to the foregoing activities; $1,045,000,000, to remain available until September 30, 2017; of which $57,637,189 shall remain
available until expended for satellite operations; and of which $7,280,000 shall be available until expended for deferred maintenance and capital improvement projects that exceed $100,000 in cost: Provided, That none of the funds provided for the ecosystem research activity shall be used to conduct new surveys on private property, unless specifically authorized in writing by the property owner: Provided further, That no part of this appropriation shall be used to pay more than one-half the cost of topographic mapping or water resources data collection and investigations carried on in cooperation with States and municipalities.

ADMINISTRATIVE PROVISIONS

From within the amount appropriated for activities of the United States Geological Survey such sums as are necessary shall be available for contracting for the furnishing of topographic maps and for the making of geophysical or other specialized surveys when it is administratively determined that such procedures are in the public interest; construction and maintenance of necessary buildings and appurtenant facilities; acquisition of lands for gauging stations and observation wells; expenses of the United States National Committee for Geological Sciences; and payment of compensation and expenses of persons employed by the Survey duly appointed to rep-
resent the United States in the negotiation and adminis-
tration of interstate compacts: Provided, That activities
funded by appropriations herein made may be accom-
plished through the use of contracts, grants, or cooper-
ative agreements as defined in section 6302 of title 31,
United States Code: Provided further, That the United
States Geological Survey may enter into contracts or coop-
erative agreements directly with individuals or indirectly
with institutions or nonprofit organizations, without re-
gard to 41 U.S.C. 6101, for the temporary or intermittent
services of students or recent graduates, who shall be con-
sidered employees for the purpose of chapters 57 and 81
of title 5, United States Code, relating to compensation
for travel and work injuries, and chapter 171 of title 28,
United States Code, relating to tort claims, but shall not
be considered to be Federal employees for any other pur-
poses.

BUREAU OF OCEAN ENERGY MANAGEMENT

For expenses necessary for granting leases, case-
ments, rights-of-way and agreements for use for oil and
gas, other minerals, energy, and marine-related purposes
on the Outer Continental Shelf and approving operations
related thereto, as authorized by law; for environmental
studies, as authorized by law; for implementing other laws
and to the extent provided by Presidential or Secretarial
delegation; and for matching grants or cooperative agree-
ments, $167,270,000, of which $70,648,000, is to remain
available until September 30, 2017 and of which
$96,622,000 is to remain available until expended: Pro-
vided, That this total appropriation shall be reduced by
amounts collected by the Secretary and credited to this
appropriation from additions to receipts resulting from in-
creases to lease rental rates in effect on August 5, 1993,
and from cost recovery fees from activities conducted by
the Bureau of Ocean Energy Management pursuant to the
Outer Continental Shelf Lands Act, including studies, as-
sessments, analysis, and miscellaneous administrative ac-
tivities: Provided further, That the sum herein appro-
priated shall be reduced as such collections are received
during the fiscal year, so as to result in a final fiscal year
2016 appropriation estimated at not more than
$70,648,000: Provided further, That not to exceed $3,000
shall be available for reasonable expenses related to pro-
moting volunteer beach and marine cleanup activities.

BUREAU OF SAFETY AND ENVIRONMENTAL
ENFORCEMENT

OFFSHORE SAFETY AND ENVIRONMENTAL ENFORCEMENT

For expenses necessary for the regulation of oper-
ations related to leases, easements, rights-of-way and
agreements for use for oil and gas, other minerals, energy, and marine-related purposes on the Outer Continental Shelf, as authorized by law; for enforcing and implementing laws and regulations as authorized by law and to the extent provided by Presidential or Secretarial delegation; and for matching grants or cooperative agreements, $123,354,000, of which $66,147,000 is to remain available until September 30, 2017, and of which $57,207,000 is to remain available until expended: Provided, That this total appropriation shall be reduced by amounts collected by the Secretary and credited to this appropriation from additions to receipts resulting from increases to lease rental rates in effect on August 5, 1993, and from cost recovery fees from activities conducted by the Bureau of Safety and Environmental Enforcement pursuant to the Outer Continental Shelf Lands Act, including studies, assessments, analysis, and miscellaneous administrative activities: Provided further, That the sum herein appropriated shall be reduced as such collections are received during the fiscal year, so as to result in a final fiscal year 2016 appropriation estimated at not more than $66,147,000.

For an additional amount, $65,000,000, to remain available until expended, to be reduced by amounts collected by the Secretary and credited to this appropriation,
which shall be derived from non-refundable inspection fees collected in fiscal year 2016, as provided in this Act: Provided, That to the extent that amounts realized from such inspection fees exceed $65,000,000, the amounts realized in excess of $65,000,000 shall be credited to this appropriation and remain available until expended: Provided further, That for fiscal year 2016, not less than 50 percent of the inspection fees expended by the Bureau of Safety and Environmental Enforcement will be used to fund personnel and mission-related costs to expand capacity and expedite the orderly development, subject to environmental safeguards, of the Outer Continental Shelf pursuant to the Outer Continental Shelf Lands Act (43 U.S.C. 1331 et seq.), including the review of applications for permits to drill.

OIL SPILL RESEARCH

For necessary expenses to carry out title I, section 1016, title IV, sections 4202 and 4303, title VII, and title VIII, section 8201 of the Oil Pollution Act of 1990, $14,899,000, which shall be derived from the Oil Spill Liability Trust Fund, to remain available until expended.
Office of Surface Mining Reclamation and Enforcement

For necessary expenses to carry out the provisions of the Surface Mining Control and Reclamation Act of 1977, Public Law 95–87, $123,253,000, to remain available until September 30, 2017: Provided, That appropriations for the Office of Surface Mining Reclamation and Enforcement may provide for the travel and per diem expenses of State and tribal personnel attending Office of Surface Mining Reclamation and Enforcement sponsored training.

In addition, for costs to review, administer, and enforce permits issued by the Bureau pursuant to section 507 of Public Law 95–87 (30 U.S.C. 1257), $40,000, to remain available until expended: Provided, That fees assessed and collected by the Office pursuant to such section 507 shall be credited to this account as discretionary offsetting collections, to remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as collections are received during the fiscal year, so as to result in a fiscal year 2016 appropriation estimated at not more than $123,253,000.
ABANDONED MINE RECLAMATION FUND

For necessary expenses to carry out title IV of the Surface Mining Control and Reclamation Act of 1977, Public Law 95–87, $27,303,000, to be derived from receipts of the Abandoned Mine Reclamation Fund and to remain available until expended: Provided, That pursuant to Public Law 97–365, the Department of the Interior is authorized to use up to 20 percent from the recovery of the delinquent debt owed to the United States Government to pay for contracts to collect these debts: Provided further, That funds made available under title IV of Public Law 95–87 may be used for any required non-Federal share of the cost of projects funded by the Federal Government for the purpose of environmental restoration related to treatment or abatement of acid mine drainage from abandoned mines: Provided further, That such projects must be consistent with the purposes and priorities of the Surface Mining Control and Reclamation Act: Provided further, That amounts provided under this heading may be used for the travel and per diem expenses of State and tribal personnel attending Office of Surface Mining Reclamation and Enforcement sponsored training. In addition, $30,000,000, to remain available until expended, for grants to States for reclamation of abandoned mine lands and other related activities in accord-
ance with the terms and conditions in the report ac-
panying this Act: Provided, That such additional amount
shall be used for economic and community development
in conjunction with the priorities in section 403(a) of the
Surface Mining Control and Reclamation Act of 1977 (30
U.S.C. 1233(a)): Provided further, That such additional
amount shall be distributed in equal amounts to the 3 Ap-
palachian States with the greatest amount of unfunded
needs to meet the priorities described in paragraphs (1)
and (2) of such section: Provided further, That such addi-
tional amount shall be allocated to States within 60 days
after the date of enactment of this Act.

BUREAU OF INDIAN AFFAIRS AND BUREAU OF INDIAN
EDUCATION

OPERATION OF INDIAN PROGRAMS

(INCLUDING TRANSFER OF FUNDS)

For expenses necessary for the operation of Indian
programs, as authorized by law, including the Snyder Act
of November 2, 1921 (25 U.S.C. 13), the Indian Self-Der-

to exceed $8,500 may be for official reception and rep-
resentation expenses; of which not to exceed $74,809,000
shall be for welfare assistance payments: *Provided*, That
in cases of designated Federal disasters, the Secretary
may exceed such cap, from the amounts provided herein,
to provide for disaster relief to Indian communities af-
fected by the disaster: *Provided further*, That federally rec-
ognized Indian tribes and tribal organizations of federally
recognized Indian tribes may use their tribal priority allo-
cations for unmet welfare assistance costs: *Provided fur-
ther*, That not to exceed $619,827,000 for school oper-
ations costs of Bureau-funded schools and other education
programs shall become available on July 1, 2016, and
shall remain available until September 30, 2017: *Provided
further*, That not to exceed $48,785,000 shall remain
available until expended for housing improvement, road
maintenance, attorney fees, litigation support, land
records improvement, and the Navajo-Hopi Settlement
Program: *Provided further*, That any forestry funds allo-
cated to a federally recognized tribe which remain unoblig-
gated as of September 30, 2017, may be transferred dur-
ing fiscal year 2018 to an Indian forest land assistance
account established for the benefit of the holder of the
funds within the holder’s trust fund account: *Provided fur-
ther*, That any such unobligated balances not so trans-
ferred shall expire on September 30, 2018: Provided further, That in order to enhance the safety of Bureau field employees, the Bureau may use funds to purchase uniforms or other identifying articles of clothing for personnel: Provided further, That $272,000,000 shall be for payments to Indian tribes and tribal organizations for contract support costs associated with contracts, grants, self-governance compacts, or annual funding agreements between the Bureau and an Indian tribe or tribal organization pursuant to the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.) prior to or during fiscal year 2016, and shall remain available until expended.

CONSTRUCTION

(INCLUDING TRANSFER OF FUNDS)

For construction, repair, improvement, and maintenance of irrigation and power systems, buildings, utilities, and other facilities, including architectural and engineering services by contract; acquisition of lands, and interests in lands; and preparation of lands for farming, and for construction of the Navajo Indian Irrigation Project pursuant to Public Law 87–483, $187,620,000, to remain available until expended: Provided, That such amounts as may be available for the construction of the Navajo Indian Irrigation Project may be transferred to the Bureau of
Reclamation: Provided further, That not to exceed 6 percent of contract authority available to the Bureau of Indian Affairs from the Federal Highway Trust Fund may be used to cover the road program management costs of the Bureau: Provided further, That any funds provided for the Safety of Dams program pursuant to 25 U.S.C. 13 shall be made available on a nonreimbursable basis: Provided further, That for fiscal year 2016, in implementing new construction, replacement facilities construction, or facilities improvement and repair project grants in excess of $100,000 that are provided to grant schools under Public Law 100–297, the Secretary of the Interior shall use the Administrative and Audit Requirements and Cost Principles for Assistance Programs contained in 43 CFR part 12 as the regulatory requirements: Provided further, That such grants shall not be subject to section 12.61 of 43 CFR; the Secretary and the grantee shall negotiate and determine a schedule of payments for the work to be performed: Provided further, That in considering grant applications, the Secretary shall consider whether such grantee would be deficient in assuring that the construction projects conform to applicable building standards and codes and Federal, tribal, or State health and safety standards as required by 25 U.S.C. 2005(b), with respect to organizational and financial management capabilities:
Provided further, That if the Secretary declines a grant application, the Secretary shall follow the requirements contained in 25 U.S.C. 2504(f): Provided further, That any disputes between the Secretary and any grantee concerning a grant shall be subject to the disputes provision in 25 U.S.C. 2507(e): Provided further, That in order to ensure timely completion of construction projects, the Secretary may assume control of a project and all funds related to the project, if, within 18 months of the date of enactment of this Act, any grantee receiving funds appropriated in this Act or in any prior Act, has not completed the planning and design phase of the project and commenced construction: Provided further, That this appropriation may be reimbursed from the Office of the Special Trustee for American Indians appropriation for the appropriate share of construction costs for space expansion needed in agency offices to meet trust reform implementation.

INDIAN LAND AND WATER CLAIM SETTLEMENTS AND MISCELLANEOUS PAYMENTS TO INDIANS

For payments and necessary administrative expenses for implementation of Indian land and water claim settlements pursuant to Public Laws 99–264, 100–580, 101–618, 111–11, and 111–291, and for implementation of
other land and water rights settlements, $65,412,000, to
remain available until expended.

INDIAN GUARANTEED LOAN PROGRAM ACCOUNT

For the cost of guaranteed loans and insured loans,
$7,731,000, of which $1,045,000 is for administrative ex-
penses, as authorized by the Indian Financing Act of
1974: Provided, That such costs, including the cost of
modifying such loans, shall be as defined in section 502
of the Congressional Budget Act of 1974: Provided fur-
ther, That these funds are available to subsidize total loan
principal, any part of which is to be guaranteed or insured,
not to exceed $100,496,183.

ADMINISTRATIVE PROVISIONS

The Bureau of Indian Affairs may carry out the oper-
ation of Indian programs by direct expenditure, contracts,
cooperative agreements, compacts, and grants, either di-
rectly or in cooperation with States and other organiza-
tions.

Notwithstanding 25 U.S.C. 15, the Bureau of Indian
Affairs may contract for services in support of the man-
agement, operation, and maintenance of the Power Divi-
sion of the San Carlos Irrigation Project.

Notwithstanding any other provision of law, no funds
available to the Bureau of Indian Affairs for central office
oversight and Executive Direction and Administrative
Services (except executive direction and administrative services funding for Tribal Priority Allocations, regional offices, and facilities operations and maintenance) shall be available for contracts, grants, compacts, or cooperative agreements with the Bureau of Indian Affairs under the provisions of the Indian Self-Determination Act or the Tribal Self-Governance Act of 1994 (Public Law 103–413).

In the event any tribe returns appropriations made available by this Act to the Bureau of Indian Affairs, this action shall not diminish the Federal Government’s trust responsibility to that tribe, or the government-to-government relationship between the United States and that tribe, or that tribe’s ability to access future appropriations.

Notwithstanding any other provision of law, no funds available to the Bureau of Indian Education, other than the amounts provided herein for assistance to public schools under 25 U.S.C. 452 et seq., shall be available to support the operation of any elementary or secondary school in the State of Alaska.

No funds available to the Bureau of Indian Education shall be used to support expanded grades for any school or dormitory beyond the grade structure in place or approved by the Secretary of the Interior at each school
in the Bureau of Indian Education school system as of
October 1, 1995, except that the Secretary of the Interior
may waive this prohibition to support expansion of up to
one additional grade when the Secretary determines such
waiver is needed to support accomplishment of the mission
of the Bureau of Indian Education. Appropriations made
available in this or any prior Act for schools funded by
the Bureau shall be available, in accordance with the Bu-
reaux’s funding formula, only to the schools in the Bureau
school system as of September 1, 1996, and to any school
or school program that was reinstated in fiscal year 2012.
Funds made available under this Act may not be used to
establish a charter school at a Bureau-funded school (as
that term is defined in section 1141 of the Education
Amendments of 1978 (25 U.S.C. 2021)), except that a
charter school that is in existence on the date of the enact-
ment of this Act and that has operated at a Bureau-fund-
ed school before September 1, 1999, may continue to oper-
ate during that period, but only if the charter school pays
to the Bureau a pro rata share of funds to reimburse the
Bureau for the use of the real and personal property (in-
cluding buses and vans), the funds of the charter school
are kept separate and apart from Bureau funds, and the
Bureau does not assume any obligation for charter school
programs of the State in which the school is located if
the charter school loses such funding. Employees of Bureau-funded schools sharing a campus with a charter school and performing functions related to the charter school’s operation and employees of a charter school shall not be treated as Federal employees for purposes of chapter 171 of title 28, United States Code.

Notwithstanding any other provision of law, including section 113 of title I of appendix C of Public Law 106–113, if in fiscal year 2003 or 2004 a grantee received indirect and administrative costs pursuant to a distribution formula based on section 5(f) of Public Law 101–301, the Secretary shall continue to distribute indirect and administrative cost funds to such grantee using the section 5(f) distribution formula.

Funds available under this Act may not be used to establish satellite locations of schools in the Bureau school system as of September 1, 1996, except that the Secretary may waive this prohibition in order for an Indian tribe to provide language and cultural immersion educational programs for non-public schools located within the jurisdictional area of the tribal government which exclusively serve tribal members, do not include grades beyond those currently served at the existing Bureau-funded school, provide an educational environment with educator presence and academic facilities comparable to the Bureau-
funded school, comply with all applicable Tribal, Federal, or State health and safety standards, and the Americans with Disabilities Act, and demonstrate the benefits of establishing operations at a satellite location in lieu of incurring extraordinary costs, such as for transportation or other impacts to students such as those caused by busing students extended distances: Provided, That no funds available under this Act may be used to fund operations, maintenance, rehabilitation, construction or other facilities-related costs for such assets that are not owned by the Bureau: Provided further, That the term “satellite school” means a school location physically separated from the existing Bureau school by more than 50 miles but that forms part of the existing school in all other respects: Provided further, That none of the funds made available by this or any other Act may be used by the Secretary to finalize, implement, administer, or enforce the proposed rule entitled “Federal Acknowledgement of American Indian Tribes” published by the Department of the Interior in the Federal Register on May 29, 2014 (79 Fed. Reg. 30766 et seq.).

the Compacts of Free Association for the Government of
the Republic of the Marshall Islands and the Federated
States of Micronesia, as authorized by Public Law 99–
658 and Public Law 108–188.

ADMINISTRATIVE PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

At the request of the Governor of Guam, the Sec-
retary may transfer discretionary funds or mandatory
funds provided under section 104(e) of Public Law 108–
188 and Public Law 104–134, that are allocated for
Guam, to the Secretary of Agriculture for the subsidy cost
of direct or guaranteed loans, plus not to exceed three per-
cent of the amount of the subsidy transferred for the cost
of loan administration, for the purposes authorized by the
Rural Electrification Act of 1936 and section 306(a)(1)
of the Consolidated Farm and Rural Development Act for
construction and repair projects in Guam, and such funds
shall remain available until expended: Provided, That such
costs, including the cost of modifying such loans, shall be
as defined in section 502 of the Congressional Budget Act
of 1974: Provided further, That such loans or loan guaran-
tees may be made without regard to the population of the
area, credit elsewhere requirements, and restrictions on
the types of eligible entities under the Rural Electrifica-
tion Act of 1936 and section 306(a)(1) of the Consolidated
Farm and Rural Development Act: *Provided further*, That any funds transferred to the Secretary of Agriculture shall be in addition to funds otherwise made available to make or guarantee loans under such authorities.

GENERAL PROVISIONS, DEPARTMENT OF THE INTERIOR (INCLUDING TRANSFERS OF FUNDS)

EMERGENCY TRANSFER AUTHORITY—INTRA-BUREAU

Sec. 101. Appropriations made in this title shall be available for expenditure or transfer (within each bureau or office), with the approval of the Secretary, for the emergency reconstruction, replacement, or repair of aircraft, buildings, utilities, or other facilities or equipment damaged or destroyed by fire, flood, storm, or other unavoidable causes: Provided, That no funds shall be made available under this authority until funds specifically made
available to the Department of the Interior for emergencies shall have been exhausted: *Provided further,* That all funds used pursuant to this section must be replenished by a supplemental appropriation, which must be requested as promptly as possible.

**EMERGENCY TRANSFER AUTHORITY—DEPARTMENT-WIDE**

SEC. 102. The Secretary may authorize the expenditure or transfer of any no year appropriation in this title, in addition to the amounts included in the budget programs of the several agencies, for the suppression or emergency prevention of wildland fires on or threatening lands under the jurisdiction of the Department of the Interior; for the emergency rehabilitation of burned-over lands under its jurisdiction; for emergency actions related to potential or actual earthquakes, floods, volcanoes, storms, or other unavoidable causes; for contingency planning subsequent to actual oil spills; for response and natural resource damage assessment activities related to actual oil spills or releases of hazardous substances into the environment; for the prevention, suppression, and control of actual or potential grasshopper and Mormon cricket outbreaks on lands under the jurisdiction of the Secretary, pursuant to the authority in section 417(b) of Public Law 106–224 (7 U.S.C. 7717(b)); for emergency reclamation projects under section 410 of Public Law 95–87; and shall trans-
fer, from any no year funds available to the Office of Surface Mining Reclamation and Enforcement, such funds as may be necessary to permit assumption of regulatory authority in the event a primacy State is not carrying out the regulatory provisions of the Surface Mining Act: Provided, That appropriations made in this title for wildland fire operations shall be available for the payment of obligations incurred during the preceding fiscal year, and for reimbursement to other Federal agencies for destruction of vehicles, aircraft, or other equipment in connection with their use for wildland fire operations, such reimbursement to be credited to appropriations currently available at the time of receipt thereof: Provided further, That for wildland fire operations, no funds shall be made available under this authority until the Secretary determines that funds appropriated for “wildland fire operations” and “FLAME Wildfire Suppression Reserve Fund” shall be exhausted within 30 days: Provided further, That all funds used pursuant to this section must be replenished by a supplemental appropriation, which must be requested as promptly as possible: Provided further, That such replenishment funds shall be used to reimburse, on a pro rata basis, accounts from which emergency funds were transferred.
AUTHORIZED USE OF FUNDS

SEC. 103. Appropriations made to the Department of the Interior in this title shall be available for services as authorized by section 3109 of title 5, United States Code, when authorized by the Secretary, in total amount not to exceed $500,000; purchase and replacement of motor vehicles, including specially equipped law enforcement vehicles; hire, maintenance, and operation of aircraft; hire of passenger motor vehicles; purchase of reprints; payment for telephone service in private residences in the field, when authorized under regulations approved by the Secretary; and the payment of dues, when authorized by the Secretary, for library membership in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members.

AUTHORIZED USE OF FUNDS, INDIAN TRUST MANAGEMENT

SEC. 104. Appropriations made in this Act under the headings Bureau of Indian Affairs and Bureau of Indian Education, and Office of the Special Trustee for American Indians and any unobligated balances from prior appropriations Acts made under the same headings shall be available for expenditure or transfer for Indian trust management and reform activities. Total funding for historical
accounting activities shall not exceed amounts specifically designated in this Act for such purpose.

REDISTRIBUTION OF FUNDS, BUREAU OF INDIAN AFFAIRS

Sec. 105. Notwithstanding any other provision of law, the Secretary of the Interior is authorized to redistribute any Tribal Priority Allocation funds, including tribal base funds, to alleviate tribal funding inequities by transferring funds to address identified, unmet needs, dual enrollment, overlapping service areas or inaccurate distribution methodologies. No tribe shall receive a reduction in Tribal Priority Allocation funds of more than 10 percent in fiscal year 2016. Under circumstances of dual enrollment, overlapping service areas or inaccurate distribution methodologies, the 10 percent limitation does not apply.

ELLIS, GOVERNORS, AND LIBERTY ISLANDS

Sec. 106. Notwithstanding any other provision of law, the Secretary of the Interior is authorized to acquire lands, waters, or interests therein including the use of all or part of any pier, dock, or landing within the State of New York and the State of New Jersey, for the purpose of operating and maintaining facilities in the support of transportation and accommodation of visitors to Ellis, Governors, and Liberty Islands, and of other program and
administrative activities, by donation or with appropriated funds, including franchise fees (and other monetary consideration), or by exchange; and the Secretary is authorized to negotiate and enter into leases, subleases, concession contracts or other agreements for the use of such facilities on such terms and conditions as the Secretary may determine reasonable.

OUTER CONTINENTAL SHELF INSPECTION FEES

Sec. 107. (a) In fiscal year 2016, the Secretary shall collect a nonrefundable inspection fee, which shall be deposited in the “Offshore Safety and Environmental Enforcement” account, from the designated operator for facilities subject to inspection under 43 U.S.C. 1348(c).

(b) Annual fees shall be collected for facilities that are above the waterline, excluding drilling rigs, and are in place at the start of the fiscal year. Fees for fiscal year 2016 shall be:

(1) $10,500 for facilities with no wells, but with processing equipment or gathering lines;

(2) $17,000 for facilities with 1 to 10 wells, with any combination of active or inactive wells; and

(3) $31,500 for facilities with more than 10 wells, with any combination of active or inactive wells.
(c) Fees for drilling rigs shall be assessed for all inspections completed in fiscal year 2016. Fees for fiscal year 2016 shall be:

(1) $30,500 per inspection for rigs operating in water depths of 500 feet or more; and

(2) $16,700 per inspection for rigs operating in water depths of less than 500 feet.

(d) The Secretary shall bill designated operators under subsection (b) within 60 days, with payment required within 30 days of billing. The Secretary shall bill designated operators under subsection (c) within 30 days of the end of the month in which the inspection occurred, with payment required within 30 days of billing.

SEC. 108. The Secretary of the Interior, in order to implement a reorganization of the Bureau of Ocean Energy Management, Regulation and Enforcement, may transfer funds among and between the successor offices and bureaus affected by the reorganization only in conformance with the reprogramming guidelines described in the report accompanying this Act.
CONTRACTS AND AGREEMENTS FOR WILD HORSE AND 
BURRO HOLDING FACILITIES

SEC. 109. Notwithstanding any other provision of this Act, the Secretary of the Interior may enter into multiyear cooperative agreements with nonprofit organizations and other appropriate entities, and may enter into multiyear contracts in accordance with the provisions of section 3903 of title 41, United States Code (except that the 5-year term restriction in subsection (a) shall not apply), for the long-term care and maintenance of excess wild free roaming horses and burros by such organizations or entities on private land. Such cooperative agreements and contracts may not exceed 10 years, subject to renewal at the discretion of the Secretary.

MASS MARKING OF SALMONIDS

SEC. 110. The United States Fish and Wildlife Service shall, in carrying out its responsibilities to protect threatened and endangered species of salmon, implement a system of mass marking of salmonid stocks, intended for harvest, that are released from federally operated or federally financed hatcheries including but not limited to fish releases of coho, chinook, and steelhead species. Marked fish must have a visible mark that can be readily identified by commercial and recreational fishers.

SEC. 122. Before the end of the 60-day period beginning on the date of the enactment of this Act, the Secretary of the Interior shall amend the interim rule pertaining to the northern long-eared bat published by the Department of the Interior in the Federal Register on April 2, 2015 (80 Fed. Reg. 17974 et seq.), only in such a way that—

(1) take incidental to any activity conducted in accordance with the habitat conservation measures identified at pages 18024 to 18205 of volume 80 of the Federal Register (April 2, 2015), as applicable, is not prohibited; and

(2) the public comment period for such interim rule is reopened for not less than 90 days.
TITLE II—ENVIRONMENTAL PROTECTION

AGENCY

SCIENCE AND TECHNOLOGY

For science and technology, including research and development activities, which shall include research and development activities under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980; necessary expenses for personnel and related costs and travel expenses; procurement of laboratory equipment and supplies; and other operating expenses in support of research and development, $704,918,000, to remain available until September 30, 2017: Provided, That of the funds included under this heading, $7,100,000 shall be for Research: National Priorities as specified in the report accompanying this Act.

ENVIRONMENTAL PROGRAMS AND MANAGEMENT

For environmental programs and management, including necessary expenses, not otherwise provided for, for personnel and related costs and travel expenses; hire of passenger motor vehicles; hire, maintenance, and operation of aircraft; purchase of reprints; library memberships in societies or associations which issue publications to members only or at a price to members lower than to subscribers who are not members; administrative costs of the brownfields program under the Small Business Liabil-
ity Relief and Brownfields Revitalization Act of 2002; and
not to exceed $9,000 for official reception and representa-
tion expenses, $2,472,289,000, to remain available until
September 30, 2017: Provided, That of the funds included
under this heading, $12,700,000 shall be for Environ-
mental Protection: National Priorities as specified in the
report accompanying this Act: Provided further, That of
the funds included under this heading, $400,523,000 shall
be for Geographic Programs specified in the report accom-
panying this Act.

OFFICE OF INSPECTOR GENERAL

For necessary expenses of the Office of Inspector
General in carrying out the provisions of the Inspector
General Act of 1978, $40,000,000, to remain available
until September 30, 2017.

BUILDINGS AND FACILITIES

For construction, repair, improvement, extension, al-
teration, and purchase of fixed equipment or facilities of,
or for use by, the Environmental Protection Agency,
$34,467,000, to remain available until expended.

HAZARDOUS SUBSTANCE SUPERFUND

(INCLUDING TRANSFERS OF FUNDS)

For necessary expenses to carry out the Comprehen-
sive Environmental Response, Compensation, and Liabil-
ity Act of 1980 (CERCLA), including sections 111(c)(3),
(c)(5), (c)(6), and (e)(4) 42 U.S.C. 9611
$1,088,769,000, to remain available until expended, consisting of such sums as are available in the Trust Fund on September 30, 2015, as authorized by section 517(a) of the Superfund Amendments and Reauthorization Act of 1986 (SARA) and up to $1,088,769,000 as a payment from general revenues to the Hazardous Substance Superfund for purposes as authorized by section 517(b) of SARA: Provided, That funds appropriated under this heading may be allocated to other Federal agencies in accordance with section 111(a) of CERCLA: Provided further, That of the funds appropriated under this heading, $8,459,000 shall be paid to the “Office of Inspector General” appropriation to remain available until September 30, 2017, and $16,217,000 shall be paid to the “Science and Technology” appropriation to remain available until September 30, 2017.

LEAKING UNDERGROUND STORAGE TANK TRUST FUND PROGRAM

For necessary expenses to carry out leaking underground storage tank cleanup activities authorized by subtitle I of the Solid Waste Disposal Act, $91,941,000, to remain available until expended, of which $66,572,000 shall be for carrying out leaking underground storage tank cleanup activities authorized by section 9003(h) of the
Solid Waste Disposal Act; $25,369,000 shall be for carrying out the other provisions of the Solid Waste Disposal Act specified in section 9508(c) of the Internal Revenue Code: Provided, That the Administrator is authorized to use appropriations made available under this heading to implement section 9013 of the Solid Waste Disposal Act to provide financial assistance to federally recognized Indian tribes for the development and implementation of programs to manage underground storage tanks.

Inland Oil Spill Programs

For expenses necessary to carry out the Environmental Protection Agency’s responsibilities under the Oil Pollution Act of 1990, $17,944,000, to be derived from the Oil Spill Liability trust fund, to remain available until expended.

State and Tribal Assistance Grants

For environmental programs and infrastructure assistance, including capitalization grants for State revolving funds and performance partnership grants, $2,979,829,000, to remain available until expended, of which—

(1) $1,018,000,000 shall be for making capitalization grants for the Clean Water State Revolving Funds under title VI of the Federal Water Pollution Control Act; and of which $757,000,000 shall be for
making capitalization grants for the Drinking Water State Revolving Funds under section 1452 of the Safe Drinking Water Act: Provided, That for fiscal year 2016, funds made available under this title to each State for Clean Water State Revolving Fund capitalization grants and for Drinking Water State Revolving Fund capitalization grants may, at the discretion of each State, be used for projects to address green infrastructure, water or energy efficiency improvements, or other environmentally innovative activities: Provided further, That notwithstanding section 603(d)(7) of the Federal Water Pollution Control Act, the limitation on the amounts in a State water pollution control revolving fund that may be used by a State to administer the fund shall not apply to amounts included as principal in loans made by such fund in fiscal year 2016 and prior years where such amounts represent costs of administering the fund to the extent that such amounts are or were deemed reasonable by the Administrator, accounted for separately from other assets in the fund, and used for eligible purposes of the fund, including administration: Provided further, That for fiscal year 2016, notwithstanding the limitation on amounts in section 518(e) of the Federal Water Pol-
ution Control Act, up to a total of 2 percent of the funds appropriated, or $30,000,000, whichever is greater, and notwithstanding the limitation on amounts in section 1452(i) of the Safe Drinking Water Act, up to a total of 2 percent of the funds appropriated, or $20,000,000, whichever is greater, for State Revolving Funds under such Acts may be reserved by the Administrator for grants under section 518(c) and section 1452(i) of such Acts: Provided further, That for fiscal year 2016, notwithstanding the amounts specified in section 205(c) of the Federal Water Pollution Control Act, up to 1.5 percent of the aggregate funds appropriated for the Clean Water State Revolving Fund program under the Act less any sums reserved under section 518(c) of the Act, may be reserved by the Administrator for grants made under title II of the Federal Water Pollution Control Act for American Samoa, Guam, the Commonwealth of the Northern Marianas, and United States Virgin Islands: Provided further, That for fiscal year 2016, notwithstanding the limitations on amounts specified in section 1452(j) of the Safe Drinking Water Act, up to 1.5 percent of the funds appropriated for the Drinking Water State Revolving Fund programs under the Safe Drinking Water
Act may be reserved by the Administrator for grants made under section 1452(j) of the Safe Drinking Water Act: Provided further, That 10 percent of the funds made available under this title to each State for Clean Water State Revolving Fund capitalization grants and 20 percent of the funds made available under this title to each State for Drinking Water State Revolving Fund capitalization grants shall be used by the State to provide additional subsidy to eligible recipients in the form of forgiveness of principal, negative interest loans, or grants (or any combination of these), and shall be so used by the State only where such funds are provided as initial financing for an eligible recipient or to buy, refinance, or restructure the debt obligations of eligible recipients only where such debt was incurred on or after the date of enactment of this Act;

(2) $5,000,000 shall be for architectural, engineering, planning, design, construction and related activities in connection with the construction of high priority water and wastewater facilities in the area of the United States-Mexico Border, after consultation with the appropriate border commission; Provided, That no funds provided by this appropriations Act to address the water, wastewater and other crit-
ical infrastructure needs of the colonias in the United States along the United States-Mexico border shall be made available to a county or municipal government unless that government has established an enforceable local ordinance, or other zoning rule, which prevents in that jurisdiction the development or construction of any additional colonia areas, or the development within an existing colonia the construction of any new home, business, or other structure which lacks water, wastewater, or other necessary infrastructure;

(3) $10,000,000 shall be for grants to the State of Alaska to address drinking water and wastewater infrastructure needs of rural and Alaska Native Villages: Provided, That of these funds: (A) the State of Alaska shall provide a match of 25 percent; (B) no more than 5 percent of the funds may be used for administrative and overhead expenses; and (C) the State of Alaska shall make awards consistent with the Statewide priority list established in conjunction with the Agency and the U.S. Department of Agriculture for all water, sewer, waste disposal, and similar projects carried out by the State of Alaska that are funded under section 221 of the Federal Water Pollution Control Act (33 U.S.C. 1301) or
the Consolidated Farm and Rural Development Act
(7 U.S.C. 1921 et seq.) which shall allocate not less
than 25 percent of the funds provided for projects
in regional hub communities;

(4) $75,000,000 shall be to carry out section
104(k) of the Comprehensive Environmental Re-
response, Compensation, and Liability Act of 1980
(CERCLA), including grants, interagency agree-
ments, and associated program support costs: Pro-
vided, That not more than 25 percent of the amount
appropriated to carry out section 104(k) of
CERCLA shall be used for site characterization, as-
essment, and remediation of facilities described in
section 101(39)(D)(ii)(II) of CERCLA;

(5) $50,000,000 shall be for grants under title

(6) $20,000,000 shall be for targeted airshed
grants in accordance with the terms and conditions
of the report accompanying this Act; and

(7) $1,044,829,000 shall be for grants, includ-
ing associated program support costs, to States, fed-
erally recognized tribes, interstate agencies, tribal
consortia, and air pollution control agencies for
multi-media or single media pollution prevention,
control and abatement and related activities, includ-
ing activities pursuant to the provisions set forth under this heading in Public Law 104–134, and for making grants under section 103 of the Clean Air Act for particulate matter monitoring and data collection activities subject to terms and conditions specified by the Administrator, of which:

$47,745,000 shall be for carrying out section 128 of CERCLA; $9,646,000 shall be for Environmental Information Exchange Network grants, including associated program support costs; $1,498,000 shall be for grants to States under section 2007(f)(2) of the Solid Waste Disposal Act, which shall be in addition to funds appropriated under the heading “Leaking Underground Storage Tank Trust Fund Program” to carry out the provisions of the Solid Waste Disposal Act specified in section 9508(e) of the Internal Revenue Code other than section 9003(h) of the Solid Waste Disposal Act; $17,848,000 of the funds available for grants under section 106 of the Federal Water Pollution Control Act shall be for State participation in national- and State-level statistical surveys of water resources and enhancements to State monitoring programs.
For fiscal year 2016, notwithstanding 31 U.S.C. 6303(1) and 6305(1), the Administrator of the Environmental Protection Agency, in carrying out the Agency’s function to implement directly Federal environmental programs required or authorized by law in the absence of an acceptable tribal program, may award cooperative agreements to federally recognized Indian tribes or Intertribal consortia, if authorized by their member tribes, to assist the Administrator in implementing Federal environmental programs for Indian tribes required or authorized by law, except that no such cooperative agreements may be awarded from funds designated for State financial assistance agreements.

The Administrator of the Environmental Protection Agency is authorized to collect and obligate pesticide registration service fees in accordance with section 33 of the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136w-8).

Notwithstanding section 33(d)(2) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) (7 U.S.C. 136w-8(d)(2)), the Administrator of the Environ-
mental Protection Agency may assess fees under section 33 of FIFRA (7 U.S.C. 136w-8) for fiscal year 2016.

The Administrator is authorized to transfer up to $300,000,000 of the funds appropriated for the Great Lakes Restoration Initiative under the heading “Environmental Programs and Management” to the head of any Federal department or agency, with the concurrence of such head, to carry out activities that would support the Great Lakes Restoration Initiative and Great Lakes Water Quality Agreement programs, projects, or activities; to enter into an interagency agreement with the head of such Federal department or agency to carry out these activities; and to make grants to governmental entities, non-profit organizations, institutions, and individuals for planning, research, monitoring, outreach, and implementation in furtherance of the Great Lakes Restoration Initiative and the Great Lakes Water Quality Agreement.

The Science and Technology, Environmental Programs and Management, Office of Inspector General, Hazardous Substance Superfund, and Leaking Underground Storage Tank Trust Fund Program Accounts, are available for the construction, alteration, repair, rehabilitation, and renovation of facilities provided that the cost does not exceed $150,000 per project.
The Administrator of the Environmental Protection Agency shall base agency policies and actions regarding air emissions from forest biomass including, but not limited to, air emissions from facilities that combust forest biomass for energy, on the principle that forest biomass emissions do not increase overall carbon dioxide accumulations in the atmosphere when USDA Forest Inventory and Analysis data show that forest carbon stocks in the U.S. are stable or increasing on a national scale, or when forest biomass is derived from mill residuals, harvest residuals or forest management activities. Such policies and actions shall not pre-empt existing authorities of States to determine how to utilize biomass as a renewable energy source and shall not inhibit States’ authority to apply the same policies to forest biomass as other renewable fuels in implementing Federal law.

Of the unobligated balances available for “State and Tribal Assistance Grants” account, $8,000,000 are permanently rescinded: Provided, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

For fiscal year 2016, and notwithstanding section 518(f) of the Federal Water Pollution Control Act (33
U.S.C. 1377(f)), the Administrator is authorized to use the amounts appropriated for any fiscal year under section 319 of the Act to make grants to federally recognized Indian tribes pursuant to sections 319(h) and 518(e) of that Act.

GIFTS, DONATIONS AND BEQUESTS FOR FOREST AND RANGELAND RESEARCH

For expenses authorized by 16 U.S.C. 1643(b), $45,000, to remain available until expended, to be derived from the fund established pursuant to the above Act.

MANAGEMENT OF NATIONAL FOREST LANDS FOR SUBSISTENCE USES

For necessary expenses of the Forest Service to manage Federal lands in Alaska for subsistence uses under title VIII of the Alaska National Interest Lands Conserva-
tion Act (Public Law 96–487), $2,441,000, to remain
available until expended.

WILDLAND FIRE MANAGEMENT
(INCLUDING TRANSFERS OF FUNDS)

For necessary expenses for forest fire presuppression
activities on National Forest System lands, for emergency
fire suppression on or adjacent to such lands or other
lands under fire protection agreement, hazardous fuels
management on or adjacent to such lands, emergency re-
habilitation of burned-over National Forest System lands
and water, and for State and volunteer fire assistance,
$2,373,078,000, to remain available until expended: Pro-
vided, That such funds including unobligated balances
under this heading, are available for repayment of ad-
vances from other appropriations accounts previously
transferred for such purposes: Provided further, That such
funds shall be available to reimburse State and other co-
operating entities for services provided in response to wild-
fire and other emergencies or disasters to the extent such
reimbursements by the Forest Service for non-fire emer-
gencies are fully repaid by the responsible emergency man-
agement agency: Provided further, That, notwithstanding
any other provision of law, $6,914,000 of funds appro-
piated under this appropriation shall be available for the
Forest Service in support of fire science research author-
ized by the Joint Fire Science Program, including all Forest Service authorities for the use of funds, such as contracts, grants, research joint venture agreements, and cooperative agreements: Provided further, That all authorities for the use of funds, including the use of contracts, grants, and cooperative agreements, available to execute the Forest and Rangeland Research appropriation, are also available in the utilization of these funds for Fire Science Research: Provided further, That funds provided shall be available for emergency rehabilitation and restoration, hazardous fuels management activities, support to Federal emergency response, and wildfire suppression activities of the Forest Service: Provided further, That of the funds provided, $361,749,000 is for hazardous fuels management activities, $19,795,000 is for research activities and to make competitive research grants pursuant to the Forest and Rangeland Renewable Resources Research Act, (16 U.S.C. 1641 et seq.), $78,000,000 is for State fire assistance, and $13,000,000 is for volunteer fire assistance under section 10 of the Cooperative Forestry Assistance Act of 1978 (16 U.S.C. 2106): Provided further, That amounts in this paragraph may be transferred to the “National Forest System”, and “Forest and Rangeland Research” accounts to fund forest and rangeland research, the Joint Fire Science Program, vegetation and
watershed management, heritage site rehabilitation, and
wildlife and fish habitat management and restoration: Pro-
vided further, That the costs of implementing any coopera-
tive agreement between the Federal Government and any
non-Federal entity may be shared, as mutually agreed on
by the affected parties: Provided further, That up to
$15,000,000 of the funds provided herein may be used by
the Secretary of Agriculture to enter into procurement
contracts or cooperative agreements or to issue grants for
hazardous fuels management activities and for training or
monitoring associated with such hazardous fuels manage-
ment activities on Federal land or on non-Federal land
if the Secretary determines such activities implement a
community wildfire protection plan (or equivalent) and
benefit resources on Federal land: Provided further, That
funds made available to implement the Community Forest
Restoration Act, Public Law 106–393, title VI, shall be
available for use on non-Federal lands in accordance with
authorities made available to the Forest Service under the
“State and Private Forestry” appropriation: Provided fur-
ther, That the Secretary of the Interior and the Secretary
of Agriculture may authorize the transfer of funds appro-
piated for wildland fire management, in an aggregate
amount not to exceed $50,000,000, between the Depart-
ments when such transfers would facilitate and expedite
wildland fire management programs and projects: \textit{Provided further}, That of the funds provided for hazardous fuels management, not to exceed $5,000,000 may be used to make grants, using any authorities available to the Forest Service under the “State and Private Forestry” appropriation, for the purpose of creating incentives for increased use of biomass from National Forest System lands: \textit{Provided further}, That funds designated for wildfire suppression, including funds transferred from the “FLAME Wildfire Suppression Reserve Fund”, shall be assessed for cost pools on the same basis as such assessments are calculated against other agency programs: \textit{Provided further}, That of the funds for hazardous fuels management, up to $28,077,000 may be transferred to the “National Forest System” to support the Integrated Resource Restoration pilot program.

\textbf{FLAME WILDFIRE SUPPRESSION RESERVE FUND}

\textit{(INCLUDING TRANSFERS OF FUNDS)}

For necessary expenses for large fire suppression operations of the Department of Agriculture and as a reserve fund for suppression and Federal emergency response activities, $315,000,000, to remain available until expended: \textit{Provided}, That such amounts are only available for transfer to the “Wildland Fire Management” account following
a declaration by the Secretary in accordance with section 502 of the FLAME Act of 2009 (43 U.S.C. 1748a).

ADMINISTRATIVE PROVISIONS, FOREST SERVICE

(INCLUDING TRANSFERS OF FUNDS)

Appropriations to the Forest Service for the current fiscal year shall be available for: (1) purchase of passenger motor vehicles; acquisition of passenger motor vehicles from excess sources, and hire of such vehicles; purchase, lease, operation, maintenance, and acquisition of aircraft to maintain the operable fleet for use in Forest Service wildland fire programs and other Forest Service programs; notwithstanding other provisions of law, existing aircraft being replaced may be sold, with proceeds derived or trade-in value used to offset the purchase price for the replacement aircraft; (2) services pursuant to 7 U.S.C. 2225, and not to exceed $100,000 for employment under 5 U.S.C. 3109; (3) purchase, erection, and alteration of buildings and other public improvements (7 U.S.C. 2250); (4) acquisition of land, waters, and interests therein pursuant to 7 U.S.C. 428a; (5) for expenses pursuant to the Volunteers in the National Forest Act of 1972 (16 U.S.C. 558a, 558d, and 558a note); (6) the cost of uniforms as authorized by 5 U.S.C. 5901–5902; and (7) for debt collection contracts in accordance with 31 U.S.C. 3718(c).
Any appropriations or funds available to the Forest Service may be transferred to the Wildland Fire Management appropriation for forest firefighting, emergency rehabilitation of burned-over or damaged lands or waters under its jurisdiction, and fire preparedness due to severe burning conditions upon the Secretary’s notification of the House and Senate Committees on Appropriations that all fire suppression funds appropriated under the headings “Wildland Fire Management” and “FLAME Wildfire Suppression Reserve Fund” will be obligated within 30 days: Provided, That all funds used pursuant to this paragraph must be replenished by a supplemental appropriation which must be requested as promptly as possible.

Funds appropriated to the Forest Service shall be available for assistance to or through the Agency for International Development in connection with forest and rangeland research, technical information, and assistance in foreign countries, and shall be available to support forestry and related natural resource activities outside the United States and its territories and possessions, including technical assistance, education and training, and cooperation with U.S., private, and international organizations. The Forest Service, acting for the International Program, may sign direct funding agreements with foreign governments and institutions as well as other domestic agencies (includ-
ing the U.S. Agency for International Development, the Department of State, and the Millennium Challenge Corporation), U.S. private sector firms, institutions and organizations to provide technical assistance and training programs overseas on forestry and rangeland management.

Funds appropriated to the Forest Service shall be available for expenditure or transfer to the Department of the Interior, Bureau of Land Management, for removal, preparation, and adoption of excess wild horses and burros from National Forest System lands, and for the performance of cadastral surveys to designate the boundaries of such lands.

None of the funds made available to the Forest Service in this Act or any other Act with respect to any fiscal year shall be subject to transfer under the provisions of section 702(b) of the Department of Agriculture Organic Act of 1944 (7 U.S.C. 2257), section 442 of Public Law 106–224 (7 U.S.C. 7772), or section 10417(b) of Public Law 107–107 (7 U.S.C. 8316(b)).

None of the funds available to the Forest Service may be reprogrammed without the advance approval of the House and Senate Committees on Appropriations in accordance with the reprogramming procedures contained in the report accompanying this Act.
Not more than $82,000,000 of funds available to the Forest Service shall be transferred to the Working Capital Fund of the Department of Agriculture and not more than $14,500,000 of funds available to the Forest Service shall be transferred to the Department of Agriculture for Department Reimbursable Programs, commonly referred to as Greenbook charges. Nothing in this paragraph shall prohibit or limit the use of reimbursable agreements requested by the Forest Service in order to obtain services from the Department of Agriculture’s National Information Technology Center and the Department of Agriculture’s International Technology Service.

Of the funds available to the Forest Service, up to $5,000,000 shall be available for priority projects within the scope of the approved budget, which shall be carried out by the Youth Conservation Corps and shall be carried out under the authority of the Public Lands Corps Act of 1993, Public Law 103–82, as amended by Public Lands Corps Healthy Forests Restoration Act of 2005, Public Law 109–154.

Of the funds available to the Forest Service, $4,000 is available to the Chief of the Forest Service for official reception and representation expenses.

Pursuant to sections 405(b) and 410(b) of Public Law 101–593, of the funds available to the Forest Service,
up to $3,000,000 may be advanced in a lump sum to the National Forest Foundation to aid conservation partnership projects in support of the Forest Service mission, without regard to when the Foundation incurs expenses, for projects on or benefitting National Forest System lands or related to Forest Service programs: Provided, That of the Federal funds made available to the Foundation, no more than $300,000 shall be available for administrative expenses: Provided further, That the Foundation shall obtain, by the end of the period of Federal financial assistance, private contributions to match on at least one-for-one basis funds made available by the Forest Service: Provided further, That the Foundation may transfer Federal funds to a Federal or a non-Federal recipient for a project at the same rate that the recipient has obtained the non-Federal matching funds.

Pursuant to section 2(b)(2) of Public Law 98–244, up to $3,000,000 of the funds available to the Forest Service may be advanced to the National Fish and Wildlife Foundation in a lump sum to aid cost-share conservation projects, without regard to when expenses are incurred, on or benefitting National Forest System lands or related to Forest Service programs: Provided, That such funds shall be matched on at least a one-for-one basis by the Foundation or its sub-recipients: Provided further, That
the Foundation may transfer Federal funds to a Federal
or non-Federal recipient for a project at the same rate
that the recipient has obtained the non-Federal matching
funds.

Funds appropriated to the Forest Service shall be
available for interactions with and providing technical as-
sistance to rural communities and natural resource-based
businesses for sustainable rural development purposes.

Funds appropriated to the Forest Service shall be
available for payments to counties within the Columbia
River Gorge National Scenic Area, pursuant to section
14(c)(1) and (2), and section 16(a)(2) of Public Law 99–
663.

Any funds appropriated to the Forest Service may
be used to meet the non-Federal share requirement in sec-
tion 502(c) of the Older Americans Act of 1965 (42
U.S.C. 3056(c)(2)).

Funds available to the Forest Service, not to exceed
$55,000,000, shall be assessed for the purpose of per-
forming fire, administrative and other facilities mainte-
nance and decommissioning. Such assessments shall occur
using a square foot rate charged on the same basis the
agency uses to assess programs for payment of rent, utili-
ties, and other support services.
Notwithstanding any other provision of law, any appropriations or funds available to the Forest Service not to exceed $500,000 may be used to reimburse the Office of the General Counsel (OGC), Department of Agriculture, for travel and related expenses incurred as a result of OGC assistance or participation requested by the Forest Service at meetings, training sessions, management reviews, land purchase negotiations and similar nonlitigation-related matters. Future budget justifications for both the Forest Service and the Department of Agriculture should clearly display the sums previously transferred and the requested funding transfers.

An eligible individual who is employed in any project funded under title V of the Older Americans Act of 1965 (42 U.S.C. 3056 et seq.) and administered by the Forest Service shall be considered to be a Federal employee for purposes of chapter 171 of title 28, United States Code.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

INDIAN HEALTH SERVICE

INDIAN HEALTH SERVICES

For expenses necessary to carry out the Act of August 5, 1954 (68 Stat. 674), the Indian Self-Determination and Education Assistance Act, the Indian Health Care Improvement Act, and titles II and III of the Public
Health Service Act with respect to the Indian Health Service, $4,321,539,000, together with payments received during the fiscal year pursuant to 42 U.S.C. 238(b) and 238b, for services furnished by the Indian Health Service: Provided, That funds made available to tribes and tribal organizations through contracts, grant agreements, or any other agreements or compacts authorized by the Indian Self-Determination and Education Assistance Act of 1975 (25 U.S.C. 450), shall be deemed to be obligated at the time of the grant or contract award and thereafter shall remain available to the tribe or tribal organization without fiscal year limitation: Provided further, That, $935,726,000 for Purchased/Referred Care, including $51,500,000 for the Indian Catastrophic Health Emergency Fund, shall remain available until expended: Provided further, That, of the funds provided, up to $36,000,000 shall remain available until expended for implementation of the loan repayment program under section 108 of the Indian Health Care Improvement Act: Provided further, That the amounts collected by the Federal Government as authorized by sections 104 and 108 of the Indian Health Care Improvement Act (25 U.S.C. 1613a and 1616a) during the preceding fiscal year for breach of contracts shall be deposited to the Fund authorized by section 108A of the Act (25 U.S.C. 1616a-1) and shall remain
available until expended and, notwithstanding section 108A(c) of the Act (25 U.S.C. 1616a-1(e)), funds shall be available to make new awards under the loan repayment and scholarship programs under sections 104 and 108 of the Act (25 U.S.C. 1613a and 1616a): Provided further, That funds provided in this Act may be used for annual contracts and grants that fall within 2 fiscal years, provided the total obligation is recorded in the year the funds are appropriated: Provided further, That the amounts collected by the Secretary of Health and Human Services under the authority of title IV of the Indian Health Care Improvement Act shall remain available until expended for the purpose of achieving compliance with the applicable conditions and requirements of titles XVIII and XIX of the Social Security Act, except for those related to the planning, design, or construction of new facilities: Provided further, That funding contained herein for scholarship programs under the Indian Health Care Improvement Act (25 U.S.C. 1613) shall remain available until expended: Provided further, That amounts received by tribes and tribal organizations under title IV of the Indian Health Care Improvement Act shall be reported and accounted for and available to the receiving tribes and tribal organizations until expended: Provided further, That the Bureau of Indian Affairs may collect from the Indian
Health Service, tribes and tribal organizations operating health facilities pursuant to Public Law 93–638, such individually identifiable health information relating to disabled children as may be necessary for the purpose of carrying out its functions under the Individuals with Disabilities Education Act (20 U.S.C. 1400, et seq.): Provided further, That the Indian Health Care Improvement Fund may be used, as needed, to carry out activities typically funded under the Indian Health Facilities account: Provided further, That $717,970,000 shall be for payments to Indian tribes and tribal organizations for contract support costs associated with contracts, grants, self-governance compacts, or annual funding agreements between the Indian Health Service and an Indian tribe or tribal organization pursuant to the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.) prior to or during fiscal year 2016, and shall remain available until expended.

INDIAN HEALTH FACILITIES

For construction, repair, maintenance, improvement, and equipment of health and related auxiliary facilities, including quarters for personnel; preparation of plans, specifications, and drawings; acquisition of sites, purchase and erection of modular buildings, and purchases of trailers; and for provision of domestic and community sanita-
tion facilities for Indians, as authorized by section 7 of the Act of August 5, 1954 (42 U.S.C. 2004a), the Indian Self-Determination Act, and the Indian Health Care Improvement Act, and for expenses necessary to carry out such Acts and titles II and III of the Public Health Service Act with respect to environmental health and facilities support activities of the Indian Health Service, $466,329,000, to remain available until expended: Provided, That notwithstanding any other provision of law, funds appropriated for the planning, design, construction, renovation or expansion of health facilities for the benefit of an Indian tribe or tribes may be used to purchase land on which such facilities will be located: Provided further, That not to exceed $500,000 may be used by the Indian Health Service to purchase TRANSAM equipment from the Department of Defense for distribution to the Indian Health Service and tribal facilities: Provided further, That none of the funds appropriated to the Indian Health Service may be used for sanitation facilities construction for new homes funded with grants by the housing programs of the United States Department of Housing and Urban Development: Provided further, That not to exceed $2,700,000 from this account and the “Indian Health Services” account may be used by the Indian Health Service to obtain ambulances for the Indian Health Service
and tribal facilities in conjunction with an existing inter-
agency agreement between the Indian Health Service and
the General Services Administration: Provided further,
That not to exceed $500,000 may be placed in a Demoli-
tion Fund, to remain available until expended, and be used
by the Indian Health Service for the demolition of Federal
buildings.

ADMINISTRATIVE PROVISIONS—INDIAN HEALTH SERVICE

Appropriations provided in this Act to the Indian
Health Service shall be available for services as authorized
by 5 U.S.C. 3109 at rates not to exceed the per diem rate
equivalent to the maximum rate payable for senior-level
positions under 5 U.S.C. 5376; hire of passenger motor
vehicles and aircraft; purchase of medical equipment; pur-
chase of reprints; purchase, renovation and erection of
modular buildings and renovation of existing facilities;
payments for telephone service in private residences in the
field, when authorized under regulations approved by the
Secretary; uniforms or allowances therefor as authorized
by 5 U.S.C. 5901–5902; and for expenses of attendance
at meetings that relate to the functions or activities of the
Indian Health Service: Provided, That in accordance with
the provisions of the Indian Health Care Improvement
Act, non-Indian patients may be extended health care at
all tribally administered or Indian Health Service facili-

ties, subject to charges, and the proceeds along with funds recovered under the Federal Medical Care Recovery Act (42 U.S.C. 2651–2653) shall be credited to the account of the facility providing the service and shall be available without fiscal year limitation: Provided further, That notwithstanding any other law or regulation, funds transferred from the Department of Housing and Urban Development to the Indian Health Service shall be administered under Public Law 86–121, the Indian Sanitation Facilities Act and Public Law 93–638: Provided further, That funds appropriated to the Indian Health Service in this Act, except those used for administrative and program direction purposes, shall not be subject to limitations directed at curtailing Federal travel and transportation: Provided further, That none of the funds made available to the Indian Health Service in this Act shall be used for any assessments or charges by the Department of Health and Human Services unless identified in the budget justification and provided in this Act, or approved by the House and Senate Committees on Appropriations through the re-programming process: Provided further, That notwithstanding any other provision of law, funds previously or herein made available to a tribe or tribal organization through a contract, grant, or agreement authorized by title I or title V of the Indian Self-Determination and
Education Assistance Act of 1975 (25 U.S.C. 450), may be deobligated and reobligated to a self-determination contract under title I, or a self-governance agreement under title V of such Act and thereafter shall remain available to the tribe or tribal organization without fiscal year limitation: Provided further, That none of the funds made available to the Indian Health Service in this Act shall be used to implement the final rule published in the Federal Register on September 16, 1987, by the Department of Health and Human Services, relating to the eligibility for the health care services of the Indian Health Service until the Indian Health Service has submitted a budget request reflecting the increased costs associated with the proposed final rule, and such request has been included in an appropriations Act and enacted into law: Provided further, That with respect to functions transferred by the Indian Health Service to tribes or tribal organizations, the Indian Health Service is authorized to provide goods and services to those entities on a reimbursable basis, including payments in advance with subsequent adjustment, and the reimbursements received therefrom, along with the funds received from those entities pursuant to the Indian Self-Determination Act, may be credited to the same or subsequent appropriation account from which the funds were originally derived, with such amounts to remain
available until expended. *Provided further,* That reim-
bursements for training, technical assistance, or services
provided by the Indian Health Service will contain total
costs, including direct, administrative, and overhead asso-
ciated with the provision of goods, services, or technical
assistance. *Provided further,* That the appropriation struc-
ture for the Indian Health Service may not be altered
without advance notification to the House and Senate
Committees on Appropriations. *Provided further,* That the
Indian Health Service shall develop a strategic plan for
the Urban Indian Health program in consultation with
urban Indians and the National Academy of Public Ad-
ministration, and shall publish such plan not later than
one year after the date of enactment of this Act.

TITLE IV—GENERAL PROVISIONS

(RESTRICTION ON USE OF FUNDS)

SEC. 401. No part of any appropriation contained in this Act shall be available for any activity or the publica-
tion or distribution of literature that in any way tends to promote public support or opposition to any legislative proposal on which Congressional action is not complete other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

OBLIGATION OF APPROPRIATIONS

Sec. 402. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

DISCLOSURE OF ADMINISTRATIVE EXPENSES

Sec. 403. The amount and basis of estimated overhead charges, deductions, reserves or holdbacks, including working capital fund and cost pool charges, from programs, projects, activities and subactivities to support government-wide, departmental, agency, or bureau administrative functions or headquarters, regional, or central operations shall be presented in annual budget justifications and subject to approval by the Committees on Appropriations of the House of Representatives and the Senate. Changes to such estimates shall be presented to the Committees on Appropriations for approval.

MINING APPLICATIONS

Sec. 404. (a) LIMITATION OF FUNDS.—None of the funds appropriated or otherwise made available pursuant to this Act shall be obligated or expended to accept or
process applications for a patent for any mining or mill site claim located under the general mining laws.

(b) EXCEPTIONS.—Subsection (a) shall not apply if the Secretary of the Interior determines that, for the claim concerned (1) a patent application was filed with the Secretary on or before September 30, 1994; and (2) all requirements established under sections 2325 and 2326 of the Revised Statutes (30 U.S.C. 29 and 30) for vein or lode claims, sections 2329, 2330, 2331, and 2333 of the Revised Statutes (30 U.S.C. 35, 36, and 37) for placer claims, and section 2337 of the Revised Statutes (30 U.S.C. 42) for mill site claims, as the case may be, were fully complied with by the applicant by that date.

(c) REPORT.—On September 30, 2017, the Secretary of the Interior shall file with the House and Senate Committees on Appropriations and the Committee on Natural Resources of the House and the Committee on Energy and Natural Resources of the Senate a report on actions taken by the Department under the plan submitted pursuant to section 314(c) of the Department of the Interior and Related Agencies Appropriations Act, 1997 (Public Law 104–208).

(d) MINERAL EXAMINATIONS.—In order to process patent applications in a timely and responsible manner, upon the request of a patent applicant, the Secretary of
the Interior shall allow the applicant to fund a qualified third-party contractor to be selected by the Director of the Bureau of Land Management to conduct a mineral examination of the mining claims or mill sites contained in a patent application as set forth in subsection (b). The Bureau of Land Management shall have the sole responsibility to choose and pay the third-party contractor in accordance with the standard procedures employed by the Bureau of Land Management in the retention of third-party contractors.

CONTRACT SUPPORT COSTS, PRIOR YEAR LIMITATION

CONTRACT SUPPORT COSTS, FISCAL YEAR 2016 LIMITATION

Sec. 406. Amounts provided by this Act for fiscal year 2016 under the headings “Department of Health and Human Services, Indian Health Service, Indian Health Services” and “Department of the Interior, Bureau of Indian Affairs and Bureau of Indian Education, Operation of Indian Programs” are the only amounts available for contract support costs arising out of self-determination or self-governance contracts, grants, compacts, or annual
funding agreements for fiscal year 2016 with the Bureau of Indian Affairs or the Indian Health Service: Provided, That such amounts provided by this Act are not available for payment of claims for contract support costs for prior years, or for repayments of payments for settlements or judgments awarding contract support costs for prior years.

FOREST MANAGEMENT PLANS

SEC. 407. The Secretary of Agriculture shall not be considered to be in violation of subparagraph 6(f)(5)(A) of the Forest and Rangeland Renewable Resources Planning Act of 1974 (16 U.S.C. 1604(f)(5)(A)) solely because more than 15 years have passed without revision of the plan for a unit of the National Forest System. Nothing in this section exempts the Secretary from any other requirement of the Forest and Rangeland Renewable Resources Planning Act (16 U.S.C. 1600 et seq.) or any other law: Provided, That if the Secretary is not acting expeditiously and in good faith, within the funding available, to revise a plan for a unit of the National Forest System, this section shall be void with respect to such plan and a court of proper jurisdiction may order completion of the plan on an accelerated basis.
PROHIBITION WITHIN NATIONAL MONUMENTS

Sec. 408. No funds provided in this Act may be expended to conduct preleasing, leasing and related activities under either the Mineral Leasing Act (30 U.S.C. 181 et seq.) or the Outer Continental Shelf Lands Act (43 U.S.C. 1331 et seq.) within the boundaries of a National Monument established pursuant to the Act of June 8, 1906 (16 U.S.C. 431 et seq.) as such boundary existed on January 20, 2001, except where such activities are allowed under the Presidential proclamation establishing such monument.

LIMITATION ON TAKINGS

Sec. 409. Unless otherwise provided herein, no funds appropriated in this Act for the acquisition of lands or interests in lands may be expended for the filing of declarations of taking or complaints in condemnation without the approval of the House and Senate Committees on Appropriations: Provided, That this provision shall not apply to funds appropriated to implement the Everglades National Park Protection and Expansion Act of 1989, or to funds appropriated for Federal assistance to the State of Florida to acquire lands for Everglades restoration purposes.
TIMBER SALE REQUIREMENTS

SEC. 410. No timber sale in Alaska’s Region 10 shall be advertised if the indicated rate is deficit (defined as the value of the timber is not sufficient to cover all logging and stumpage costs and provide a normal profit and risk allowance under the Forest Service’s appraisal process) when appraised using a residual value appraisal. The western red cedar timber from those sales which is surplus to the needs of the domestic processors in Alaska, shall be made available to domestic processors in the contiguous 48 United States at prevailing domestic prices. All additional western red cedar volume not sold to Alaska or contiguous 48 United States domestic processors may be exported to foreign markets at the election of the timber sale holder. All Alaska yellow cedar may be sold at prevailing export prices at the election of the timber sale holder.

PROHIBITION ON NO-BID CONTRACTS

SEC. 411. None of the funds appropriated or otherwise made available by this Act to executive branch agencies may be used to enter into any Federal contract unless such contract is entered into in accordance with the requirements of chapter 33 of title 41, United States Code, or chapter 137 of title 10, United States Code, and the Federal Acquisition Regulation, unless—
(1) Federal law specifically authorizes a contract to be entered into without regard for these requirements, including formula grants for States, or federally recognized Indian tribes; or

(2) such contract is authorized by the Indian Self-Determination and Education Assistance Act (Public Law 93–638, 25 U.S.C. 450 et seq.) or by any other Federal laws that specifically authorize a contract within an Indian tribe as defined in section 4(e) of that Act (25 U.S.C. 450b(e)); or

(3) such contract was awarded prior to the date of enactment of this Act.

POSTING OF REPORTS

Sec. 412. (a) Any agency receiving funds made available in this Act, shall, subject to subsections (b) and (c), post on the public website of that agency any report required to be submitted by the Congress in this or any other Act, upon the determination by the head of the agency that it shall serve the national interest.

(b) Subsection (a) shall not apply to a report if—

(1) the public posting of the report compromises national security; or

(2) the report contains proprietary information.

(c) The head of the agency posting such report shall do so only after such report has been made available to
the requesting Committee or Committees of Congress for no less than 45 days.

NATIONAL ENDOWMENT FOR THE ARTS GRANT GUIDELINES

SEC. 413. Of the funds provided to the National Endowment for the Arts—

(1) The Chairperson shall only award a grant to an individual if such grant is awarded to such individual for a literature fellowship, National Heritage Fellowship, or American Jazz Masters Fellowship.

(2) The Chairperson shall establish procedures to ensure that no funding provided through a grant, except a grant made to a State or local arts agency, or regional group, may be used to make a grant to any other organization or individual to conduct activity independent of the direct grant recipient. Nothing in this subsection shall prohibit payments made in exchange for goods and services.

(3) No grant shall be used for seasonal support to a group, unless the application is specific to the contents of the season, including identified programs or projects.
SEC. 414. (a) In providing services or awarding financial assistance under the National Foundation on the Arts and the Humanities Act of 1965 from funds appropriated under this Act, the Chairperson of the National Endowment for the Arts shall ensure that priority is given to providing services or awarding financial assistance for projects, productions, workshops, or programs that serve underserved populations.

(b) In this section:

(1) The term “underserved population” means a population of individuals, including urban minorities, who have historically been outside the purview of arts and humanities programs due to factors such as a high incidence of income below the poverty line or to geographic isolation.

(2) The term “poverty line” means the poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 673(2) of the Community Services Block Grant Act (42 U.S.C. 9902(2))) applicable to a family of the size involved.

(c) In providing services and awarding financial assistance under the National Foundation on the Arts and
Humanities Act of 1965 with funds appropriated by this Act, the Chairperson of the National Endowment for the Arts shall ensure that priority is given to providing services or awarding financial assistance for projects, productions, workshops, or programs that will encourage public knowledge, education, understanding, and appreciation of the arts.

(d) With funds appropriated by this Act to carry out section 5 of the National Foundation on the Arts and Humanities Act of 1965—

(1) the Chairperson shall establish a grant category for projects, productions, workshops, or programs that are of national impact or availability or are able to tour several States;

(2) the Chairperson shall not make grants exceeding 15 percent, in the aggregate, of such funds to any single State, excluding grants made under the authority of paragraph (1);

(3) the Chairperson shall report to the Congress annually and by State, on grants awarded by the Chairperson in each grant category under section 5 of such Act; and

(4) the Chairperson shall encourage the use of grants to improve and support community-based music performance and education.
STATUS OF BALANCES OF APPROPRIATIONS

SEC. 415. The Department of the Interior, the Environmental Protection Agency, the Forest Service, and the Indian Health Service shall provide the Committees on Appropriations of the House of Representatives and Senate quarterly reports on the status of balances of appropriations including all uncommitted, committed, and unobligated funds in each program and activity.

REPORT ON USE OF CLIMATE CHANGE FUNDS

SEC. 416. Not later than 120 days after the date on which the President’s fiscal year 2017 budget request is submitted to the Congress, the President shall submit a comprehensive report to the Committees on Appropriations of the House of Representatives and the Senate describing in detail all Federal agency funding, domestic and international, for climate change programs, projects, and activities in fiscal years 2015 and 2016, including an accounting of funding by agency with each agency identifying climate change programs, projects, and activities and associated costs by line item as presented in the President’s Budget Appendix, and including citations and linkages where practicable to each strategic plan that is driving funding within each climate change program, project, and activity listed in the report.
PROHIBITION ON USE OF FUNDS

Sec. 417. Notwithstanding any other provision of law, none of the funds made available in this Act or any other Act may be used to promulgate or implement any regulation requiring the issuance of permits under title V of the Clean Air Act (42 U.S.C. 7661 et seq.) for carbon dioxide, nitrous oxide, water vapor, or methane emissions resulting from biological processes associated with livestock production.

GREENHOUSE GAS REPORTING RESTRICTIONS

Sec. 418. Notwithstanding any other provision of law, none of the funds made available in this or any other Act may be used to implement any provision in a rule, if that provision requires mandatory reporting of greenhouse gas emissions from manure management systems.

RECREATION FEE

Sec. 419. Section 810 of the Federal Lands Recreation Enhancement Act (16 U.S.C. 6809) is amended by striking “10 years after the date of the enactment of this Act” and inserting “on September 30, 2017”.

MODIFICATION OF AUTHORITIES

Sec. 420. (a) Section 8162(m)(3) of the Department of Defense Appropriations Act, 2000 (40 U.S.C. 8903 note; Public Law 106–79) is amended by striking “September 30, 2015” and inserting “September 30, 2016”.

(b) For fiscal year 2016, the authority provided by the provisos under the heading “Dwight D. Eisenhower Memorial Commission—Capital Construction” in division E of Public Law 112–74 shall not be in effect.

FUNDING PROHIBITION

SEC. 421. None of the funds made available by this or any other Act may be used to regulate the lead content of ammunition, ammunition components, or fishing tackle under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.) or any other law.

WATERS OF THE UNITED STATES

SEC. 422. None of the funds made available in this Act or any other Act for any fiscal year may be used to develop, adopt, implement, administer, or enforce any change to the regulations and guidance in effect on October 1, 2012, pertaining to the definition of waters under the jurisdiction of the Federal Water Pollution Control Act (33 U.S.C. 1251, et seq.), including the provisions of the rules dated November 13, 1986, and August 25, 1993, relating to said jurisdiction, and the guidance documents dated January 15, 2003, and December 2, 2008, relating to said jurisdiction.

STREAM BUFFER

SEC. 423. None of the funds made available by this Act may be used to develop, carry out, or implement (1)
any guidance, policy, or directive to reinterpret or change
the historic interpretation of 30 C.F.R. 816.57, which was
promulgated on June 30, 1983 by the Office of Surface
Mining Reclamation and Enforcement of the Department
of the Interior (48 Fed. Reg. 30312); or (2) proposed reg-
ulations or supporting materials described in the Federal
Register notice published on June 18, 2010 (75 Fed. Reg.
34667) by the Office of Surface Mining Reclamation and
Enforcement of the Department of the Interior.

HUNTING, FISHING, AND RECREATIONAL SHOOTING ON
FEDERAL LAND

SEC. 424. (a) LIMITATION ON USE OF FUNDS.—

None of the funds made available by this or any other
Act for any fiscal year may be used to prohibit the use
of or access to Federal land (as such term is defined in
section 3 of the Healthy Forests Restoration Act of 2003
(16 U.S.C. 6502)) for hunting, fishing, or recreational
shooting if such use or access—

(1) was not prohibited on such Federal land as
of January 1, 2013; and

(2) was conducted in compliance with the re-
source management plan (as defined in section 101
of such Act (16 U.S.C. 6511)) applicable to such
Federal land as of January 1, 2013.
(b) Temporary Closures Allowed.—Notwithstanding subsection (a), the Secretary of the Interior or the Secretary of Agriculture may temporarily close, for a period not to exceed 30 days, Federal land managed by the Secretary to hunting, fishing, or recreational shooting if the Secretary determines that the temporary closure is necessary to accommodate a special event or for public safety reasons. The Secretary may extend a temporary closure for one additional 90-day period only if the Secretary determines the extension is necessary because of extraordinary weather conditions or for public safety reasons.

(c) Authority of States.—Nothing in this section shall be construed as affecting the authority, jurisdiction, or responsibility of the several States to manage, control, or regulate fish and resident wildlife under State law or regulations.

LIMITATION ON USE OF FUNDS FOR NATIONAL OCEAN POLICY

Sec. 425. None of the funds made available by this Act may be used to further implementation of the coastal and marine spatial planning and ecosystem-based management components of the National Ocean Policy developed under Executive Order 13547.
LEAD TEST KIT

Sec. 426. None of the funds made available by this Act may be used to implement or enforce regulations under subpart E of part 745 of title 40, Code of Federal Regulations (commonly referred to as the “Lead; Renovation, Repair, and Painting Rule”), or any subsequent amendments to such regulations, until the Administrator of the Environmental Protection Agency publicizes Environmental Protection Agency recognition of a commercially available lead test kit that meets both criteria under section 745.88(c) of title 40, Code of Federal Regulations.

FINANCIAL ASSURANCE

Sec. 427. None of the funds made available by this Act may be used to develop, propose, finalize, implement, enforce, or administer any regulation that would establish new financial responsibility requirements pursuant to section 108(b) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9608(b)).

GHG NSPS

Sec. 428. None of the funds made available by this Act shall be used to propose, finalize, implement, or enforce—

(1) any standard of performance under section 111(b) of the Clean Air Act (42 U.S.C. 7411(b)) for
any new fossil fuel-fired electricity utility generating
unit if the Administrator of the Environmental Pro-
tection Agency’s determination that a technology is
adequately demonstrated includes consideration of
one or more facilities for which assistance is pro-
vided (including any tax credit) under subtitle A of
15961 et seq.) or section 48A of the Internal Rev-
 nue Code of 1986;

(2) any regulation or guidance under section
111(b) of the Clean Air Act (42 U.S.C. 7411(b)) es-
stablishing any standard of performance for emis-
sions of any greenhouse gas from any modified or
reconstructed source that is a fossil fuel-fired elec-
tric utility generating unit; or

(3) any regulation or guidance under section
111(d) of the Clean Air Act (42 U.S.C. 7411(d))
that applies to the emission of any greenhouse gas
by an existing source that is a fossil fuel-fired elec-
tric utility generating unit.

DEFINITION OF FILL MATERIAL

Sec. 429. None of the funds made available in this
Act or any other Act may be used by the Environmental
Protection Agency to develop, adopt, implement, admin-
ister, or enforce any change to the regulations in effect
on October 1, 2012, pertaining to the definitions of the
terms “fill material” or “discharge of fill material” for the
purposes of the Federal Water Pollution Control Act (33
U.S.C. 1251 et seq.).

CONTRACTING AUTHORITIES

SEC. 430. Section 412 of division E of Public Law
112–74 is amended by striking “fiscal year 2015,” and
inserting “fiscal year 2017,”.

CHESAPEAKE BAY INITIATIVE

SEC. 431. Section 502(c) of the Chesapeake Bay Ini-
note) is amended by striking “2015” and inserting
“2017”.

EXTENSION OF GRAZING PERMITS

SEC. 432. The terms and conditions of section 325
of Public Law 108–108 (117 Stat. 1307), regarding graz-
ing permits issued by the Forest Service on any lands not
subject to administration under section 402 of the Federal
Lands Policy and Management Act (43 U.S.C. 1752),
shall remain in effect for fiscal year 2016.

AVAILABILITY OF VACANT GRAZING ALLOTMENTS

SEC. 433. The Secretary of the Interior, with respect
to public lands administered by the Bureau of Land Man-
agement, and the Secretary of Agriculture, with respect
to the National Forest System lands, shall make vacant
grazing allotments available to a holder of a grazing permit or lease issued by either Secretary if the lands covered by the permit or lease or other grazing lands used by the holder of the permit or lease are unusable because of drought or wildfire, as determined by the Secretary concerned. The terms and conditions contained in a permit or lease made available pursuant to this section shall be the same as the terms and conditions of the most recent permit or lease that was applicable to the vacant grazing allotment made available. Section 102 of the National Environmental Policy Act of 1969 (42 U.S.C. 4332) shall not apply with respect to any Federal agency action under this section.

PROTECTION OF WATER RIGHTS

Sec. 434. None of the funds made available in this or any other Act may be used to condition the issuance, renewal, amendment, or extension of any permit, approval, license, lease, allotment, easement, right-of-way, or other land use or occupancy agreement on the transfer of any water right, including sole and joint ownership, directly to the United States, or any impairment of title, in whole or in part, granted or otherwise recognized under State law, by Federal or State adjudication, decree, or other judgment, or pursuant to any interstate water compact. Additionally, none of the funds made available in this or
any other Act may be used to require any water user to apply for or acquire a water right in the name of the United States under State law as a condition of the issuance, renewal, amendment, or extension of any permit, approval, license, lease, allotment, easement, right-of-way, or other land use or occupancy agreement.

LIMITATION ON STATUS CHANGES

SEC. 435. None of the funds made available by this Act shall be used to propose, finalize, implement, or enforce any regulation or guidance under Section 612 of the Clean Air Act (42 U.S.C. 7671k) that changes the status from acceptable to unacceptable for purposes of the Significant New Alternatives Policy (SNAP) program of any hydrofluorocarbon used as a refrigerant or in foam blowing agents, applications or uses. Nothing in this section shall prevent EPA from approving new materials, applications or uses as acceptable under the SNAP program.

USE OF AMERICAN IRON AND STEEL

SEC. 436. (a)(1) None of the funds made available by a State water pollution control revolving fund as authorized by section 1452 of the Safe Drinking Water Act (42 U.S.C. 300j-12) shall be used for a project for the construction, alteration, maintenance, or repair of a public water system or treatment works unless all of the iron and
steel products used in the project are produced in the United States.

(2) In this section, the term “iron and steel” products means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials.

(3) In this section, the term “produced in the United States” includes iron and steel products, regardless of their country of origin, that are substantially transformed through manufacturing or processing in the United States into new and different products with a name, character, or use that is distinct from the original products.

(b) Subsection (a) shall not apply in any case or category of cases in which the Administrator of the Environmental Protection Agency (in this section referred to as the “Administrator”) finds that—

(1) applying subsection (a) would be inconsistent with the public interest;

(2) iron and steel products are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality; or
(3) inclusion of iron and steel products produced in the United States will increase the cost of the overall project by more than 25 percent.

(c) If the Administrator receives a request for a waiver under this section, the Administrator shall make available to the public on an informal basis a copy of the request and information available to the Administrator concerning the request, and shall allow for informal public input on the request for at least 15 days prior to making a finding based on the request. The Administrator shall make the request and accompanying information available by electronic means, including on the official public Internet Web site of the Environmental Protection Agency.

(d) This section shall be applied in a manner consistent with United States obligations under international agreements.

(e) The Administrator may retain up to 0.25 percent of the funds appropriated in this Act for the Clean and Drinking Water State Revolving Funds for carrying out the provisions described in subsection (a)(1) for management and oversight of the requirements of this section.

(f) For purposes of determining compliance with 33 U.S.C. 1388 with respect to water pollution control revolving funds, and 33 U.S.C. 3914 with respect to Water Infrastructure Finance and Innovation Act assistance,
term “produced in the United States” includes iron and steel products, regardless of their country of origin, that are substantially transformed through manufacturing or processing in the United States into new and different products with a name, character, or use that is distinct from the original products.

SOCIAL COST OF CARBON

Sec. 437. None of the funds made available by this or any other Act shall be used for the social cost of carbon (SCC) to be incorporated into any rulemaking or guidance document until a new Interagency Working Group (IWG) revises the estimates using the discount rates and the domestic-only limitation on benefits estimates in accordance with Executive Order 12866 and OMB Circular A-4 as of January 1, 2015: Provided, That such IWG shall provide to the public all documents, models, and assumptions used in developing the SCC and solicit public comment prior to finalizing any revised estimates.

SPENDING REDUCTION ACCOUNT

Sec. 438. The amount by which the applicable allocation of new budget authority made by the Committee on Appropriations of the House of Representatives under section 302(b) of the Congressional Budget Act of 1974 exceeds the amount of proposed new budget authority is $0.
This Act may be cited as the “Department of the Interior, Environment, and Related Agencies Appropriations Act, 2016”.
